Trying out a new car on the road between Cedar Grove and Great Notch, he stopped to pick up an old farmer who looked as if he might like a ride, and who admitted that it was his first experience in an automobile. The machine was hitting a pretty good clip when it skidded on a soft spot and ran into a tree. "Nobody was hurt," but as the ruralite "sicked himself up," he said to the motorist, "Well, that was going some. But say, mister, there's one thing I'd like to ask you. How do you stop one of these contraptions where there ain't no trees?"

## Sad Fatality in Holland Township

Mr. William H. Walker Kicked By A Colt and Death Resulted.

Mr. William H. Walker, a much respected farmer of Holland, met death suddenly on Monday from a kick by a 4-months old colt. The blow striking him over the heart caused instant death. The funeral will take place on Saturday next to Markdale Public Cemetery at 2 p.m. under the auspices of the Orange Order. Deceased was a vigorous man in the prime of life, aged 33 years. Besides a sorrowing wife, his mother, Mrs. Andrew Walker, five brothers and two sisters survive, viz: George, John and Andrew, of Holland; James, of Peterborough; Robert, of Brockville; Sack; Mrs. Thos. Robinson, of Dundalk and Mrs. Geo. Rowe, of Desboro. The tragic death has cast a pall of sorrow over the community.

## New Post Office Wanted

Markdale Postmaster finds his quarters which cramped since the advent of the rural route system. When five couriers get to work, all at the same time, arranging their mail matter for the various routes, in addition to the regular post office staff, the present limited space is certainly crowded. Then, by the 1st of next year when parcel post delivery begins, the difficulty under inadequate quarters will be greatly increased. What we require is a new post office building.

## Sam McKee Passes Away

After an illness of some years the angel of death relieved the sufferings of Samuel McKee, of the Back Line, Protton, on Thursday, September 18th. He deceased, who was forty-four years of age, was born in this township and, being unmarried, spent his life here with his mother, Mrs. Thos. McKee, and his brother, John. He was unassuming in disposition and his long affliction prevented him from taking an active part in the affairs of the community. His aged mother, five brothers and four sisters survive him, namely: Alex. McKee, at Sandhill, Ont.; Wm. and Henry, in Saskatchewan; John, on the old homestead; Mrs. Lillie, Tullamore, Ont.; Mrs. Colbeck, Sault Ste. Marie; Mrs. Hebdler, Toronto; Mrs. John B. Anderson, Carnduff, Sask.

The funeral took place on Saturday afternoon to Dundalk cemetery, a large number following the remains to their last resting place. Rev. Herbert Lee was the officiating clergyman. The pall bearers were Messrs. W. and S. Carson, H. H. and A. Copeland, S. Sherson and T. McPherson.

Among the relatives from a distance were Mr. and Mrs. Alex. McKee and Mr. James McKee, Sand Hill; Mr. and Mrs. Irwin Little, Tullamore; Mr. and Mrs. F. Hebdler, Toronto; Mr. Thomas Wilson, Sand Hill; Mrs. Leslie, Markdale; Dundalk Herald.

## Goes to Central India.

Miss Bertha Manarey, a Temple Hill Girl, Left on Tuesday for Foreign Missionary Work.

A very interesting service was held at Temple Hill Presbyterian Church Monday, Sept. 29th, at 3:30 p.m., when Miss Bertha Manarey, one of the girls of the congregation, was designated for Foreign Missionary work. Rev. Mr. Phalen presided. Rev. Mr. Jamieson, of Thornbury, conducted devotional exercises. Rev. Mr. Barbour, of Meaford, addressed the missionary designate, Dr. R. P. McKay, Secretary to the Foreign Mission Committee, addressed the people. The pastor, Rev. Mr. Beveridge, added a few words at the close. Two pleasant breaks occurred in the service. First, when Mrs. Gardiner, of Meaford, on behalf of the Foreign Mission Committee, presented Miss Manarey with the mission Bible. Second, when a number of ladies from the congregation, acting for all the people, placed in Miss Manarey's hands a magnificent combined toilet and manure set and a purse of money. A splendid congregation attended the service notwithstanding the busy season. Temple Hill is extending its work. In the spring Miss Elsie Smith, of the congregation, went to our own district West to engage in hospital mission work.

Miss Manarey was born in Euphrasia, the daughter of Joseph and Mrs. Manarey. She taught school for a number of years, serving among others Orange Valley school. Then proceeding to Toronto she entered the Ewart Deaconess School and took a full course. She therefore goes to Central India as a Missionary deaconess.

## Town By-Laws Should Be Revised

How many citizens of Markdale really know what the town by-laws are? Every year the matter of revising the By-Laws of the town come up, but nothing is ever done. Many are so antiquated and stale as to be nothing short of a joke, while others overlap. In Port Arthur the various civic committees are making a thorough study of the various ordinances with the object of a thorough revision. The revised by-laws will then be printed and will either be distributed to the citizens who desire them or will be sold at a nominal price to cover the cost of the publication. Year after year in every municipality scores of by-laws are passed. Some of these are through as the result of circumstances or conditions which later are found to be temporary. The by-law is not needed, it is forgotten and it becomes an anachronism on the civic statutes. Many of the local by-laws undoubtedly overlap, and there is scarcely a municipality in Canada which has been incorporated for a score of years where there are not ordinances which have been duplicated. There are also many by-laws fyled away in the vault which the councillors do not know exist and which probably have been forgotten by the town officials. This is one of the little things in which civic governments in the past have been lax. It would be a good idea to take this matter up and after revising the by-laws have them prepared so that the citizens may know just what the local by-laws are.

Our readers like to see items of news from their locality and we are always pleased to get news from different parts of Grey County. Correspondence from some quarters which contains some gags on the neighbors, and nothing else. The writers of the epistles do not even sign their names—and yet expect to see what they have written in print. We don't publish the names of correspondents, but we insist on knowing who they are, and if we get correspondence of the kind referred to without a name attached to the waste paper basket. We do not undertake to publish anything that is sent in, if the correspondent does sign his name, for sometimes items are sent in that would have a tendency to produce hard feelings. It is

## Walters Falls Fair.

This Fair had the worst day in its history; still a large crowd came to see the exhibits and they were not disappointed. Without any doubt there was the best exhibit of Horses that ever was on the ground, and quite a number that had entered from a distance did not appear. The Heavy Horses were well represented. As many as 16 exhibits in one section faced the Judge. The Township prize went to Holland this year. There were ten teams entered for this prize, Mrs. Wm. Seabrook, Walters Falls; Robt. Zogger, Chatsworth; and W. J. Carson, Chatsworth, winning the prize. The exhibition of vegetables, roots, and fruit were not nearly up to the average on account of the dry weather. The exhibit of ensilage corn was good, some splendid sheaves being on exhibition. The grain was up to the average.

The competition in butter never was better. There were 17 exhibits for 1 prize 10 lbs butter in blocks. The exhibit of cattle was over the average, quite a number of new exhibitors being on hand. The prize for Best Herd of Cattle Any Breed went to Jos. Hartman, Meaford, with a herd of Shorthorns.
