Shrimps Are Eating Cable.
In consequence of the damage
done by shrimps and other crusta-
cea, the French post-office has
found it necessary to reinforce its
submarine telephone cables by rolls
of gutta percha and hemp. The
cable from Naples to Palermo and
the new cables between Sicily and
Tripoli have had to be encased in a
copper envelope, as the shrimps
bore their way through the outer
covering and so destroy the insula-
tion. Two are not at all incompatible.

Never Know One Another
The old saying that people never
know one another until they dwell
under the same roof is a true one,
for nothing so severely tests the
disposition as constant intercourse
and the wear and tear of everyday
life. Hence it is more important
to strive to be agreeable at home
than to acquire manners that will
make us brilliant and popular in
our circle of associates; though the
two are not at all incompatible.

Airing Her Domesticity.

She—Of course, I am much hon-
ored by your proposal, but I must
have a few days to think it over.

He—Well, when may I come for
my answer?

She—Let's see. Monday there's
the washing, Tuesday I must put
up clean curtains and Wednesday
I must make some jam. Come on
Thursday.

What a Loss!

"Just my luck!"

"What's the matter now?"

"I promised my wife I'd be home
at 10 o'clock last night."

"And couldn't make it, I sup-
pose?"

"No; I got in at just 0.45, but
she was sound asleep and I failed
to get credit for it."

Often the Case.

"I hear Wise went broke on that
deal you're in stock market," said
Grouch.

"That's funny," commented the
Grouch.

"I thought he got in on the
ground floor."

"He did," replied the Grouch,
but he got out by the coal chute."

WHOLE NO. 1711.

A GREAT BELIEVER IN "FRUIT-A-TIVES"

Well Known Ontario
Merchant Has Faith Because
"Fruit-a-tives" Cured Him

MR. JAMES DODSON

BRONTE, ONT., MARCH 1st, 1912.

"Fruit-a-tives has made a complete

cure in my case of Rheumatism, that

had at least five years standing before

I commenced the treatment. The

trouble was principally in my right hip

and shoulder, the pain from it was

so great that I could not stand

or walk without it. I had to

lie down on my right side while asleep, the

pain would immediately awaken me.

This kept up until I started taking

"Fruit-a-tives". I started by taking

one or two tablets with a large glass of

water, in the morning before breakfast

and experienced pronounced relief very

soon. After a month of treatment

for only six months, I was cured and

now in first-class health. This, I

attribute to my persistent use of "Fruit-
a-tives" and I heartily recommend your
remedy to any Rheumatic sufferers."

JAMES DODSON,

6 for \$2.50—trial size, 25c.

At dealers or sent postpaid on receipt of
price by Fruit-a-tives Limited, Ottawa.

The rooms which are being made ready

Princess Mary differ from those she has

been in, both deal and dress, and

her dressing-maid, who will have no

other preoccupation than the Royal

Colours-in-Chief of the Seaforth Highlanders

will be in field marshal's uniform,

but the King has not yet decided whether

he will wear his uniform as a naval

officer, or as a general in the Army.

Princess Mary will be in the Queen's

Guards uniform as a field marshal.

The Queen will wear semi-levered toilette

with jewels, while the gentlemen in

ordinary Court dress with orders.

The Queen is therefore likely to be a brilliant

figure, and the ladies will be in

the Royal Wedding.
