SCOTTISH CONCERT

in New Armoury on Wednesday Evening.

H. SHAW, President. A. JACKSON, Secretary

Morley--Green.

A very pretty wedding was solemnized at Mr. and Mrs. Wm. Green's Wednesday, September 24, when their only daughter, Annie Jane, was united in holy bonds of matrimony to Mr. Otto C. Morley, of Proton, Rev. Mr. Moier, of Conn, officiating. The bride was given away by her father while the wedding march was played by Miss Mary T. Mulhall. The bride was handsomely dressed in white pailette silk trimmed with allover lace and ball fringe. The bride was attended by Miss Ethel Morley, sister of the groom, dressed in old rose foulard silk trimmed with allover lace and buttons. The groom was assisted by Mr. Wm. J. Green, brother of the bride. After the ceremony was over about 150 sat down to a dainty supper. After supper the evening was spent in music, games and dancing, music being furnished by Mr. Wm. Colingridge, of Arthur; E. Fothergill and Messrs. E. and S. Short, accompanied by the Misses Mulhall.

The bride received a lot of beautiful and costly presents. The groom's gift to the bride was a set of furs, to the bridesmaid a gold garnet brooch and to the best man gold signet cuff links and tie pin.

DUNDALK

Neil McCannell, of Proton Station, who purchased the Wm. Dezall farm of 100 acres, near Badjeros, last spring, has now sold the property to Ben Pattison for $4,550.

One night last week someone visited the hen-coop of A. W. Rowe and carried off a pair of turkeys. Fortunately thieving is not a common crime in Dundalk, and it is hoped Chief Cudmore may make a reputation for himself in finding the guilty ones.

Mr. and Mrs. James Bell, of Sacramento, California, are visiting with the former's parents, Mr. and Mrs. Walter Bell. It is upwards of fifteen years since Jim struck out from the old home. He has seen a good deal of the West and is now located in the "Golden State" in the automobile business and making good too.

Death came without much warning to S. M. Carey, formerly of Corbetton, at his home in Toronto, on Thursday, Sept. 18th, and his demise came as a shock to his family and to this community as well. He was not feeling well for a few days, but nothing much was thought of it. He was out for a walk, and, coming in, lay down on a lounge. He passed away shortly after from heart failure. Up to a couple of years ago he was the leading merchant at Corbetton in the general store business for some length of time and he was held in the very highest esteem.—Herald.

DURHAM

Sold Some Foxes.—Mr. Nat Harvey's venture into the business of fox raising is certainly proving successful. Two weeks ago he sold eight of the furry brown animals for the sum of $1200. The foxes were sold to buyers in Prince Edward Island. Mr. Harvey's poultry farm is also thriving and some of his birds won fine prizes at the Toronto and Ottawa exhibitions this year.

"That dam should last as long as the English language," said a spectator who was watching the construction of the new dam John McGowan is building for his large flour mill. A glance at the structure now nearing completion would verify the remark to even the most dubious and there seems little danger of it being swept away by freshet or flood. Eight immense concrete piers of rugged "John Bull" type, built on an average of 27 feet apart form an imposing array for defence against turbulent waters. The bedwork and breastwork also of cement, has been placed directly on top of the old dam while the whole structure will enjoy its old head of 19 feet. Other features will be identical with the former dam. A new bridge will over-top the dam. Mr. McGowan states that it cost him more than $2000 and that he expects to have it completed within a week's time.—Review.

Mr. Joseph Ferris bought the Frank Caton property a few months ago, but disposed of it last week to Mr. James Matthews, of Glenelg. Mr. Ferris intends to move to a farm he purchased near Priceville, and Mr. Mathews and family will move to town.

While driving into town on Saturday night a week ago, Messrs. John Hargreave and John Newell collided with a rural mail box at Mr. Robt. Ector's. The shafts of the buggy were broken, and though the horse got loose from the conveyance, Hargrave, who was driving, succeeded in stopping the animal after it had dragged him some distance. Mr. Newell, however, was not so fortunate. He was thrown out of the buggy and had his collar bone broken, which will lay him up for a time.—Chronicle.

UNION HILL

(Special to The Standard.)

A gloom of sadness was cast over this vicinity on Monday, Sept. 29, 1913, when it was known that Mr. Will Walker, of "Primrose Farm," was instantly killed at one o'clock p.m. by a kick from his colt. His grief-stricken young wife was present and saw him fall, and picked him up in her arms; but he never spoke. As the fatal blow was given, his spirit passed from earth to heaven. Medical assistance was at once summoned, but all in vain. Will was one of our most popular and highly respected young men, only 33 years old, raised from childhood in our midst, and beloved by all who knew him. His sudden demise came as a severe blow to his many friends. Six years ago last March he was married to Miss Lily, second daughter of Mr. and Mrs. Joseph Anderson. Also a mother, five brothers and two sisters survive, all of whom have the sympathy of the community in their sad bereavement.

Miss Mabel Angus, of Owen Sound, visited friends in this vicinity last week.

Mr. and Mrs. R. English, of "Deer Park Farm," Glascott, were the guests of Mr. and Mrs. Joseph McFadden recently.

Messrs. Will and Andy Walker spent over Sunday the guests of their friends, Mr. and Mrs. Thos. Robinson, of Proton.

A very pretty wedding took place on Wednesday, September 24th, 1913, at 5 o'clock, when Mr. George Myers, of Euphrasia, and Miss Sadie Clark, eldest daughter of Mr. and Mrs. H. Clarke, were united in marriage, Rev. R. M. Phalen, officiating. The bride was prettily gowned in brown satin with over lace and white satin hat with plume. The handsome young bride received many beautiful gifts that of the groom being a gold watch and chain. The guests, numbering about sixty, spent the remainder of the evening pleasantly. Mr. and Mrs. Myers left by the early train Thursday morning for Toronto, Buffalo and other points. Your cor. joins in congratulations.

For Baking Success —This Oven Test

Success on some baking days can be expected no matter what flour you use. But constant success is never. It can be assured in only one way. The miller must select his wheat by oven test.

So from each shipment of wheat we take ten pounds as a sample. We grind that into flour. Bread is baked from the flour.

If this bread is high in quality, large in quantity, we use the shipment from which it came. Otherwise we sell it.

Constant baking success comes as a matter of course from flour bearing this name
