Name the Farm.

In many sections the naming of the farms is receiving more and more attention. And why not? The farm, large or small, is the home of the farmer and his family, and he should feel proud of it and jealous of the reputation of his place. It is a kingdom within it It supports the family and does its part in the support of the province and nation. Your children vill take pride in the old and it will seem more attractive visited the former's mother, Mrs. Toronto last week. than ever. They will take more interest in farm work. They will cently. do their part towards beautifying it, and in making the grops and stock raised thereon worthy of the farm name. It is a trademark the first of the week. that guarantees the products that are produced on it and offered for. sale in the market. Name the farm Filmer Warling.

and make the place live up to the

title. It will be a guide to your customers who wish to patronize the farm because it bears a name that stands for quality and hones ty and all that is good in farming.
