TUMOR IN THE STOMACH

Completely Removed When She Took 'Fruit-a-lives'

Newbury, Ont., April 4th, 1913. Some years ago, I was sick in bed, and thought I was going to die. I had a growth in my stomach, which the doctors said was a tumor and they said that the only thing to do was to go to the hospital and have the tumor cut out.

I recommended 'Fruit-a-lives' every time I get a chance and I was glad to have you publish this letter as other women may now be a sufferer from the same trouble and 'Fruit-a-lives' will cure her.
