GIVE THAT PUNY CHILD THIS GUARANTEED REMEDY

If your child is under-weight, listless, ailing, liable to get sick easily, it needs a medicine to build its weight and strength For this purpose there is nothing else we now of that we can so strongly endorse as Rexall Olive Oil Emulsion. The remarkble success of this splendid medicine i due to the fact that it contains ingredients that tone the nerves, enrich the blood and furnish to the entire system the strength, weight and health-building substances it deeds. And, it does all this without injuring the stomach. In fact, Rexall Olive Oil Emulsion is not only pleasant to take, but even the most sensitive stomach is bene-fited by it, and the digestion improved. On the other hand, it contains no alcohol or abit-forming drugs, which most parents bject to giving their children. It does its good work by taking hold of the weakness and builds the body up to its natural trength, at the same time making it strong to resist disease.

If Rexall Olive Oil Emulsion doesn't build your child up, feed the stunted, puny muscles, and make the little one lively, rong, well, and full of the animal spirits strong, wen, and rull of the animal spirits children are meant by nature to have, come back and tell us and get your money back. We don't want you to lose a cent. We think this is no more than fair, and it leaves you no cause to hesitate. For old people also—for convalescents—for all who are nervous; tired-out, run-down, no matter what the cause—we offer Revall Olive Ol he cause—we offer Rexall Olive Oil Emul-ion with the same guarantee of entire sat-saction or money back Sold only at the ,000 Rexall Stores, and in this town only
