**JAP-A-LAC—the Health-Preserver**

MODERN methods of sanitation dictate the adoption of polished floors and rugs in place of the old-fashioned, plain wood floors covered with dust-laden disease-breeding carpets. Floors finished with JAP-A-LAC are healthful, beautiful and easily kept clean. Simply wiping occasionally with a damp cloth will keep them free from dust and germs.

Hard wood or soft—it's all the same to JAP-A-LAC. It stains and varnishes in one operation, producing a brilliant, elastic and durable finish which will not mar white, and is not affected by moisture.

Bathroom woodwork, when given a coating of JAP-A-LAC, may be washed with soap and water. Easily applied by anyone.—no experience required.

Made in 21 beautiful colors. Put up in Green Tins bearing the name "GLIDDEN."

Call at your local hardware store for JAP-A-LAC color card, and a copy of the little book, "A Thousand and One Uses of JAP-A-LAC."

sole in the Methodist church on Sunday morning.

At the Guild meeting in the Presbyterian church last week Mrs. (Dr.) Carter took the topic "Health hints for better living" and gave an excellent address which was very highly appreciated.

At the Quarterly Official Board meeting of the Methodist Church on Wednesday evening last the following were elected Stewards for the coming year: Robert Walker, W. A. Armstrong, T. A. Blakey, Robt. Richardson and W. H. Bunt, Recording Steward and Representative to District Meeting. Messrs. Lundy, Johnston and Howard Graham were re-elected Stewards for Meaford Road Church. A unanimous invitation was given the pastor to return a second year.

Mr. Dyer, an Armenian student in Victoria College, Toronto, spoke in the Methodist church on Sunday evening and gave a very interesting address on "The Mohammedan Church and Christian persecution." He speaks again this (Monday) evening under the auspices of the League of Nations.

Mrs. George Bellamy received word last week that her brother, Mr. Fred Rutledge, C.P.R. agent at Woodbridge, was ill with scarlet fever, in Winnipeg Hospital. Mr. and Mrs. Rutledge lost their only child recently with the fever and after quarantine went on a trip to the West to visit his mother and sister.

At the annual meeting of the Methodist Sunday School on Tuesday evening of last week the following officers were elected: Supt., Mr. W. H. Bunt, Ass't., Mr. Thos. Clayton; Secretary, Elmer Wright; Treasurer and Librarian, J. T. Clayton; Organist, Miss Maud Boyd. The former staff of teachers were re-appointed.

Died—At Toronto, on May 14, Mrs. Lydia Fuller, in her 95th year. The news contained an excellent photograph of the deceased on Friday last. The esteemed old lady, who was a zealous member of the Methodist church, resided here for some time with her son-in-law, Mr. Thos. Hill, then in business here.

Mr. and Mrs. George Cairns, recently married, were given a pleasant surprise at their home on the West back line on Friday evening last, when the Presbyterian choir, of which Mr. Cairns has been for many years a member, presented the young couple with a beautiful piece of silverware in the form of a baking dish, the good wishes of the choir being expressed by the pastor, Rev. Mr. McFar, in a neat address. The ladies served refreshments and an enjoyable evening was spent.

At the annual congregational meeting in the Methodist church on Thursday evening last there was an excellent review of the work done during the past Conference year. Reports were presented from the various organizations of the church, all of which showed progress and finances in a splendid condition. During the year over 80 new members were added, thirty being from the Sabbath School. Some discussion took place about providing a new parsonage, and a committee was appointed to confer with the Trustees Board in the matter. Refreshments were served at the close and an enjoyable social time spent.

Word was received here last week of the death of Mr. Joseph Strain, who passed away on the 7th inst. at Bow Island, Alberta, where he had been living for a few years. During the past two years he suffered with heart trouble to which the succumbed. The deceased, who was a brother of the late Mr. Wm. Strain, formerly of this village, was for many years a resident of Artemesia, near Inistogee. He was a kind-hearted and very highly respected man; for many years a faithful member and local preacher in the Methodist church. We regret to learn that Miss Clemina Strain, who lived with her brother, is an invalid from a paralytic stroke with which she was seized a year ago. Miss Strain also formerly lived at Inistogee, where she was very highly esteemed. Her old friends here deeply sympathize with her in her affliction and present bereavement.

Another of the early settlers of Artemesia has passed away in the person of Mrs. Ann Wright, relict of the late Mr. Jo'm Wright, who died at the home of her daughter at Stouffville on Monday, May 18, in her 89th year. The remains will be brought to Flesherton for interment in the family plot, where her husband was laid over eleven years ago. The deceased was born in Ireland, but when quite young came with her parents to Canada, settling at Port Credit, where in 1853 she was married to Mr. Wright and came to Artemesia, settling near this village which then contained but very few houses. She was an amiable woman, a kind and ambitious mother, ready ever to sacrifice for her children by whom she will long be held in loving memory. In religion she was a Methodist and from her early days a faithful member of the church. An esteemed family of four sons and one daughter survive, namely: John, bailiff, Owen Sound; David T., bailiff, Owen Sound; David T., Principal of Dundalk High School; Robert, Principal of Leamington High School, and Mrs. Frank Forsythe, of Stouffville, formerly a teacher, and by whom she was nursed the past year.
