NEWS FROM SURROUNDING TOWNSHIPS.

BY STAFF REPORTERS

KIMBERLEY

(Special to The Standard.)
The recent showers are making the farmers wear a broad smile. Mr. John Smith and son, Howard, visited friends in our burg recently.
Mr. Frank Whittmore, of Toronto, accompanied by Frank Sparling, were fishing in the Beaver on Friday last and succeeded in securing quite a large number of speckled beauties.
Mr. Albert Lattier, of Union, occupied the pulpit in the Methodist Church on Sunday morning last. Among those who spent the 24th with friends in this vicinity were the following: Mr. J. E. Hammond and brother, Wm., also Miss Maud Plewes, all of Meaford; Mr. Stanley Wallace, J. H. Johnson, a former principal of our public school, Mr. W. B. Dennis, Mr. Duncan, Mr. Harold Proctor and Miss Elsie Plewes, all of Collingwood.

Miss Mina Fawcett, of Markdale, visited with her parents, Mr. and Mrs. John Fawcett, of the Travelers Home, on Monday last.
The Garden Party which was held in Kimberley on Monday, May 25th, was a success financially and otherwise. Among the list of sports was a game of baseball between our local sports and the tenth line, resulting in a win for the home team the score being 16-7. It was a swiftest royal for our boys, who provided the pellet to all corners of the diamond. Kimberley's new pitcher, Gordon Leslie, has the speed of a Western cyclone, and the way he heaved the pellet over the plate wasn't slow. The Tenth Line boys couldn't connect with his slants and man after man batted the ozone. Following is the lineup of both teams:

Tenth Line
Gordon Leslie pitcher J. McDonald Wm. Leslie catcher Les Loughhead D. Weber 1st base W. White H. Ellis 2nd base Thompson W. Barrett 3rd base D. Loughhead E. Proctor short stop E. Gaudin V. Bishop 1st field E. Kemp I. Carruthers 1st field E. Hewgill Patterson centre G. Hewgill
The baseball match between the Kimberley and Flesherton girls was a good match. The Flesherton girls were much superior at the bat and piled up a good lead in the first innings, which was hard to overcome. The score at even innings was 25-13, but the Kimberley catcher got laid up with a muscle spasm on the face and ended the game. The Flesherton girls got nine runs in this innings, which left the score 22-13 in their favor. Fred MacTavish reentered both games to the satisfaction of all concerned. The following are the winners of the foot races, which were run after the match:

Men's Race—1st Harold Ellis; 2, Wm. Gokhank.
Boys' under 15—1st V. Bishop; 2nd R. Ellis; 3rd F. Fawcett.
Boys' under 12—R. Ellis, 1st; C. Fawcett, 2nd.
Ladies' Race—A. Gaudin, Lulu Ellis.

Girls' race, under 15—Miss Gortley, 2nd, Viola Lewis.
The proceeds of the day amounted to nearly \$90.00.

Miss Ada Bradey met with a painful accident last week when attending a party at the home of Mr. F. Eaves, while engaged in friendly conversation were leaning on the balustrade when it gave way, and the result was a sprained ankle for Miss Bradey.

Much sympathy is felt for Mr. and Mrs. W. C. Myers in the loss of their baby boy, Lloyd Wilson Myers. He was an exceptionally bright child until nearly two months ago, when he was stricken with a painful illness, and although everything possible was done for the little sufferer he gradually grew weaker and on Friday, 15th inst., passed away to the great beyond.

The funeral, which was held on Monday, was one of the largest ever held in this community, and a very appropriate service was held at the residence, Rev. W. W. Wallace, of Markdale, officiating.
A number of would-be sportsmen from Berlin gave a few of our local men a merry chase on Sunday last on the fishing reserve. They started early in the morning and were preparing for a good day's fishing when they got orders to leave at once. However, they had no intention of doing so and left that point only to enter the reserve at another. With the ready use of the telephone they were kept at bay until four in the afternoon when they gave it up as a bad job and left probably to attack some other reserve. Phone connections could not be made with the judge, but it was a heavy fine would have been imposed on the nervous intruders.

As a result of the recent copious showers of rain, foliage and vegetation present to view an aspect of perfect natural loveliness.

Mr. A. Richardson, of Toronto, was the guest of Mr. John Stephenson on the 14th.

Miss Nancy Wiley, of Wodehouse, was the guest of Mrs. L. McIntosh last week. We are pleased to report that Mrs. McIntosh is recovering from her recent illness.

Mr. Lew Boales has recently made a conspicuous improvement in the appearance of his residence by the erection of an up-to-date summer kitchen.

Mrs. S. Ward and children, of Markdale, returned home on Friday last, after spending the past month at Mrs. Ward's parental home here.

Miss Bertha Bradey, of Cherry Grove, was the guest of Miss Laura Connelly on the first of the week.
Mr. Robert Gibson, of Meaford, visited Mr. and Mrs. Aaron Thompson recently.

We exceedingly regret to be obliged to state that owing to some disagreement of the contracting parties as to the date of the motor recently referred to, we were unable to give the particulars last week. Oh, let it be soon.

Fergus News-Record. The Post Office authorities have been compelled to put up a No Smoking sign in the office here. Why smokers make a nuisance of themselves inside of buildings, no one else can understand. As it is now a fine offence, punishable by a fine, for smoking in public buildings, they had added to this habit had been expelled to it out, or action may be taken to enforce the law.
