

## THE "BALMACAAN"

Oh, yes! You've heard of this famous overcoat, with its big loose sleeves, its flowing skirt and general air of class and distinction. It is certainly a coat that should be in every man's wardrobe who can afford to own one for specific purposes such as motoring, driving, travelling and general knockabout use. It's the best and most comfortable knockabout garment ever designed. We show it as illustrated here and also with the collar buttoning up close to the neck. Some like it one way—some the other. Take your choice but be sure and order it in a strong, serviceable cloth.

### FLESHERTON

(Special to The Standard.)  
The residence of Mr. and Mrs. T. J. Fisher was the scene of a pretty wedding on Tuesday evening, Sept. 22nd, when Ethel J., eldest daughter of Mr. and Mrs. James Fisher, was united in marriage with Mr. S. N. Leader, of London, formerly of Mount Forest. The ceremony, which took place at six o'clock, was conducted by Rev. R. C. Kerr in the presence of about thirty-five guests. The bride's sister, Miss Edna Fisher, played the wedding march and while the register was being signed the groom's mother sang "Promise Me." The young couple were unattended. The bride, who was given away by her father, wore a very pretty gown of white shadow lace over satin and carried a bouquet of white asters and maid-of-honor fern. The only ornament worn was a necklace satisfied with chip diamonds, the gift of the groom. After the marriage a dainty wedding supper was served and the evening was pleasantly spent with music and other entertainment. The guests from a distance were the groom's parents, Mr. and Mrs. J. Leader, Mr. and Mrs. J. McPherson. Mrs. James Blackburn and Miss Jennie Blackburn, all of Mt. Forest, Mr. and Mrs. Leader left on Friday for their new home at London, the bride travelling in a neat suit of blue ladies' cloth with hat to match. The hearty good-wishes of numerous friends follow the bride who was the recipient of many beautiful wedding gifts.

The High and Public Schools had a very successful field day on Friday afternoon last though the weather was uncomfortably cool for outdoor amusements. The schools marched in fine order to the Agricultural grounds, where a splendid programme of sports too lengthy for us to enumerate was run off many of the events being keenly contested. Revs. McVicar, Keir and Dodgeon acted as judges. There was a large crowd of spectators, who witnessed with deep interest the events, which in part consisted of bicycle races, foot races, relay races, donkey races, 3-legged races, sack races, medley races, boot races, walking races, jumping, tug of war, etc. In the lady teachers' walking race Miss Thistlewaite of the public school, won first and Miss Holmes of the high school second. In the one mile race the high school boys, Elmer Wright won 1st, Murray Legate 2nd, and Tom Orr 3rd. In the bicycle race T. Chard won 1st, Elmer Wright 2nd, and W. Buchanan 3rd. In the tug of war Form 3 of the high school won from Forms 1 and 2.

Mr. W. A. Armstrong has purchased a residence in the suburbs formerly owned by the late Mr. Wm. Tufts and will make extensive improvements for his new tenant, Mr. Fred J. Plews, who with his wife will move in from the country.

Mrs. Jos. Ridley has moved to Mr. Ali. This is now the residence near the cemetery.

Mr. John Thistlewaite is moving to Mr. Armstrong's residence at the public library.

Mr. W. H. Hemphill, who will retire from farming, has sold his fine 100 acre farm on the 4th line for \$5,000. Mr. Robt. Plant, of Eugenia, who gets possession in January next, is the purchaser.

Mr. W. L. Wright, W. W. Trimble, Editor Thurston and Mr. A. S. Thurston, of Toronto, attended Durham Fair on Friday last.

Dr. Murray and Mr. C. N. Richardson attended Collingwood Fair last week.

Miss Lillian Armstrong has returned from visiting Belleville and other points east.

Mr. Bert Mage who recently re-turned here from the West, has

moved his family to Picton, where he will conduct a blacksmith business.

Miss May Jamieson and Miss Wood of Montclair, N.J., who visited five weeks with the former's mother here, left on Monday to resume their professional duties.

Mr. Fred MacLavish and sister,

Miss Marjorie, motored to the city on Friday and were accompanied home by Mr. Brown, formerly on the high school staff, who is visiting old friends.

A number of young people in town were entertained at a very enjoyable party given by Mrs. O. W. Phillips one evening last week.

Mr. Mark Wilson, Jr., spent Sunday at his home at Durham.

Mrs. A. McArthur, of Bunnell, and Mrs. J. McArthur, of Port Hope, visited their cousin, Mrs.

Henry LeGard a few days ago.

Mr. J. A. Houston, High School Inspector, visited the school here on Tuesday and Wednesday last week.

Mr. Geo. Cuttle, of Toronto, was a visitor over the weekend at P. K. Karstedts, Mr. Cuttle and Fred Karstedts, Jr., met and became friends on their ocean voyage to England last year.

Mr. Leslie Norris is home visiting his mother, Mrs. W. J. White.

Mr. Jimmie Isales is home from Toronto and reports times quiet in the city.

Mr. Stanley Thurston, of the

Weekly Sun staff, Toronto, is home for two weeks holidays.

Stanley gave an interesting talk on "Our Flag" at the Epworth League meeting on Monday evening.

Mr. and Mrs. Oscar Phillips made a short visit with friends at Collingwood last week.

The General Assembly Rally Day programme was carried out in full by the Sunday School at the Presbyterian Church services on Sunday.

Mr. Chas. Stewart, of Toronto, is visiting relatives here.

Miss Oldham spent Sunday with friends at Hanover.

Miss Dell Thurston was home from Model School over the weekend.

Miss Little, of Owen Sound, is visiting Miss Irene Orr.

Mr. Chas. Perrell, of Collingwood, is spending a few days in the town of Mr. and Mrs. W. J. Bellamy.

Mrs. Alexander, of Feversham, is visiting her sister, Mrs. M. Stewart.

Mrs. (Dr.) Webster, of Toronto, is visiting her parents, Mr. and Mrs. M. K. Richardson.

Miss Sornberger, of Maxwell, was the guest of Mrs. Geo. McMeekin \$30; John McMillan, \$1;

Neil McMillan, \$1; and that Donald McMillan, \$1, he paid \$1.00 for work claimed to have been done in 1912 which the Council refused to entertain.

Lindsay—Young—That the Clerk

is to instruct the Clerk to issue

telephone system for issue of de

lenters for telephone system.

Peart—Young—That Inspectors

at Morrison's bridge be paid as

follows: Thos. Nichol, \$21; J. McMeekin, \$30; John McMillan, \$1;

Neil McMillan, \$1; and that Donald McMillan, \$1, he paid \$1.00 for work on Morrison's bridge.

Lindsay—Young—That the Clerk

be paid \$20 on salary—Carried.

The Council adjourned to Oct.

17th, at 10 a.m.

J. S. BLACK, Clerk.

NOTICE

The Board of Trade of the Town

of Owen Sound having arranged to

make a countywide contribution of

oats and potatoes for the Boys at

the front, the Loyal people of Glen-

elg, not wishing to be behind in

matter of this kind will consult

the several members of the Coun-

cil as follows: In Division 1, Robt.

Lindsay; 2, Thos. Nichol; 3, Geo.

R. Hart; 4, Joseph Young; 5, J.

A. MacMillan. These gentlemen

will arrange for dates and points

of delivery of contributions made

by the loyal people of Glenelg to

wards a deserving cause.

J. S. BLACK, Clerk.

Glenelg, Sept. 21st, 1914.

## Flesherston May Have Hydro in December

Engineer James of the Hydro Electric Commission addressed a meeting of the ratepayers of Flesherston, Priceville and Guelph at Flesherston last week and he intimated that the Commission would be able to deliver temporary power to Flesherston in December and to Owen Sound in March next. The Amherstburg people informed him, he said, that they expected to be out of Eugenia in eight weeks. They were now supplying that company with the full load of power possible with the old plant, and so soon as they were through with it could be turned on for Flesherston. He said they expected that the full development would be completed by the first of next March.

Mr. James advised the coupling up of Guelph and Eugenia with Flesherston. As Priceville was a police village, he thought it better for them to go into it independently. Dealing with the object of the Commission, the speaker said it was proposed to couple up the Sevenoaks and Wasdale Falls power with that of Eugenia, also the Saugern power at Port Elgin, and supply all this section of the country. They hoped to have all the towns asking for power in this county connected up by a year from this fall. They hoped to be delivering power to Owen Sound by the first of March next. At the present time they had engineers at work on the Port Elgin power taking observations and getting estimates of the power which could be developed there. In answer to a question, Mr. James said electric power would be delivered to customers in Flesherston at the rate of 3d or 4c. per kilowatt hour. Under the agreement with the old Georgian Bay Power Co., Flesherston was to have energy at not more than 10c. per kilowatt hour. This works out at about \$28.40 per horsepower per annum, for a 24-hour service. All those present were exceedingly pleased with the information vouchsafed by Mr. James, and it is thought he will be very little opposed to the scheme when it is submitted to the electors, which will be done with as little delay as possible.
