Miss Annie Johnston returned home after spending a few months at Markdale, with Mrs. S. Hill, a minister from this place attended the anniversary services held at Berkeley on Sunday Nov. 29th, which were very ably conducted by Rev. Mr. Owen B. Alford of Chesham. The sermons, both morning and evening being characterized by logical, instructive, edifying lessons, presented in such a way as to be very much appreciated by the large congregation. The annual entertainment and cold meat supper which was held on the following Monday night, was successful from any view point as the programme was good; Revs. Phalen, Wallace, Stotessbury and Owen catering to the literary tastes of the audience in a pleasing manner, while the supper, as usual, attested to the culinary skill of the ladies of Berkeley.

If thou art willing to forsake all that thou hast, and follow me, thou shalt be my disciple, and I will take thee to myself, and thou shalt have eternal life with me. Whosoever loveth his father or mother more than me, he cannot be my disciple. Whosoever hateth his father or mother, and me, and keepeth my commandments, he shall abide in me, and I will love him, and will visit him, and will keep him: and the Father that sent me, will love him, and will give unto him whatsoever he will. Whosoever receiveth one of these little children, in my name, I will receive him. Whosoever receiveth one of these little children, in my name, he shall not lose his reward. Whosoever receiveth one of these little children, in my name, he shall have eternal life. Whosoever receiveth one of these little children, in my name, he shall have a reward as his own. **Attention of Farmers in Regard To Poultry**  
**Dry Pluck Your Poultry and Take the Heads Off.**

Owing to the large quantity of poultry being brought to market badly plucked and scalded, is demoralizing the price of poultry and it is to the interest of all farmers to see that their poultry is Dry Plucked and heads taken off. This will help to bring much better prices for what you have to market. This is a year when prices will not be high, but farmers can help conditions very materially by bringing their poultry to market Dry Plucked, as scalded poultry is not wanted at any price by the dealers.

Jesus says "If thy right eye offend thee, pluck it out, and cast it from thee. If thy right hand offend thee, cut it off, and cast it from thee: for it is expedient for thee that one of these members should perish, rather than that thy whole body should be cast into hell." Whosoever will inherit life, he must lose himself. Whosoever will be saved, he must deny himself, and take up his cross, and follow me.
