Beautiful Hair-- Clean, Cool Scalp

Use Parisian Sage. It Makes the Hair Fluffy and Abundant.

It is needless for you to have hair that is anything short of perfect. If it is falling out, losing color, splitting, or if the scalp burns and itches, immediately get from W. Turner & Co., or any drug counter a 50-cent bottle of Parisian Sage—use it frequently—the first application removes dandruff, invigorates the scalp, and beautifies the hair until it is gloriously radiant.

Parisian Sage supplies hair needs—is perfectly harmless. It contains the exact elements required to make the hair soft, wavy, glossy and to make it grow thick and beautiful.

You will surely like Parisian Sage. It is one of the best and most delightful hair tonics known.

Will You Help The Hospital for Sick Children, the Great Provincial Charity?

Dear Mr. Editor:—

Thanks for the privilege of appealing through your columns on behalf of the Hospital for Sick Children. The Hospital takes care of sick and deformed children, not only in Toronto but in the Province, outside of the city.

This coming year, of all the years in the Hospital's history, has a more serious outlook, as regards funds for maintenance, than any year that has passed its calendar.

So many calls are being made on the purses of the generous people of Toronto and Ontario, to help the soldiers of the Empire, that as I make my daily rounds through the wards of the Hospital, and see the suffering children in our cots and beds, the thought strikes me as to whether the people will as of old, with all the demands made upon them, answer our appeal and help to maintain the institution that is fighting in the never-ending battle with disease and death, in its endeavor to save the stricken little ones in the child-life of Ontario.

Last year there were 394 in-patients from 210 places outside of Toronto, and in the past twenty years there have been 7,000 from places in the Province other than Toronto.

It costs us $2.34 per patient per day for maintenance. The municipalities pay for patients $1 per patient per day; the Government allows 20 cents per patient per day; so, deducting $1.20 from $2.34, it leaves the Hospital with $1.14 to pay out of subscriptions it receives from the people of Toronto and the Province. The shortage last year ran to $18,000.

Since 1880 about 1,000 cases of club feet, bow legs and knock knees have been treated, and of these 900 had perfect correction. Nearly all these were from different parts of the Province outside of the city of Toronto.

Remember that every year is a war year with the Hospital; every day is a day of battle; every minute the Hospital needs money, not for its own sake, but for the children's sake. The Hospital is the battle-ground where the Armies of Life have grappled with the Hosts of Death, and the life or death of thousands of little children is the issue that is settled in that war. Will you let the Hospital be driven from the field of its battle to save the lives of little children for the lack of money you can give and never miss?

Every dollar may prove itself a dreadnought in the battle against death, a flagship in the fleet that fights for the lives of little children.

Remember that the door of the Hospital's mercy is the door of hope, and your dollar, kind reader, may be the key that opens the door for somebody's child.

Will you send a dollar, or more if you can, to Douglas Davidson, Secretary-Treasurer, or

J. ROSS ROBERTSON,
Chairman of the Board of Trustees, Toronto.
