

200,000 CRIPPLED SOLDIERS

Austrian Government Has Instituted a Course of Lectures to Tell Them How to Make a Living

A despatch from New York says: Dr. Charles MacDonald, U.S.A., head of the American Red Cross Hospital at Budapest since early in September, on his arrival on the steamship America, said he had found it necessary to ask the Countess Zsigmondy, who was Miss Gladys Vandenberg, the Countess Zsigmondy and Countess Zsigmondy, the daughter of the late Marcus Daly, and the Countess Zsigmondy, Mabel Wright, of Boston. Dr. MacDonald received from the Emperor of Austria a decoration for distinguished service. "The conditions in Austria are beyond description," he said, "cholera and typhoid will sweep down through the nation like a prairie fire as spring and summer come. We received our wounded direct from the front, and many were found dead on the way. In Budapest there are 200,000 cripples, soldiers who have lost arms or legs. Instead of feeding them, the Government has instituted a course of lectures to tell how they may learn to make a living."

PRICES OF FARM PRODUCTS

REPORTS FROM THE LEADING TRADE CENTRES OF AMERICA.

Breadstuffs.
