Death of John McLennan

There died at the residence of his
son, Duncan McLennan, Livingston
Creek, on March 18th, 1915, John
McLennan at the ripe old age of
89 years, three months.
The late Mr. McLennan was born
in Kosschire, Scotland, coming to
Canada 61 years ago and for 13
years lived in Toronto, township,
17 years ago he moved with his
family of 8 children, 3 sons and 5
daughters to the county of Grey,
settling on a bush farm about 25
miles from Meaford. He remained
in that locality until the death of
his wife, six years ago, at the age
of 91 years. Since then he has
spent most of the time with his
two sons, Donald, of Thessa-
lan and Duncan, of Livingston
Creek. He leaves one brother and
one sister in lower Canada, a family
of eight children, thirty-nine
grand children and twenty-eight
great grand children, five of whom
attended the funeral.

TRAVERTON

(Special to The Standard.)
This Tuesday, April 13th, is the
first good sap run in this vicinity.
The gentle rain of Saturday and
Sunday have had a wonderfully
beneficial effect on fall, wheat and
meadows.
Mr. W. R. Wallace reopened S.
No. 5 on Monday after a happy
holiday at the parental home in
Newmarket.

home on the 8th Concession.
Mr. John McNally sold "Teds,"
his driver, to Mr. Noble, of Dur-
ham, last week and Mr. Levine
got "old Frank," our old gray
pacer. He had more "git and
spunk" than little "gray," than
scores of the driving horses of the
present day.
Mr. Harry Metcalfe, of Hanover,
drove his daughter, Phoebe, out to
see Mrs. J. J. Peart and that in-
teresting baby boy early last week.
He returned next day but his
daughter remained until the first
of the week.
Frank McAshey has erected a
shingle mill and has a big pile of
material on hand to manufacture.
Mr. John Cliffe and family, of
Durham, spent the weekend at the

The meeting of the Zion Branch
of the Women's Institute held at
the home of Mrs. M. J. Davis on
Thursday of last week was a most
practical one; as the 24 members
present quitted that famous auto-
graph quilt, which has over 350
inscribed on it. Sometime in May
they purpose holding a big concert
and have it auctioned off.
A very tragic death of one of our
oldest residents took place under
sad circumstances on Sunday even-
ing and was not discovered until
the following morning. Mrs. John
Russ, who lived for over a score of
years on the 5th Con., but who
sold, out some years ago and re-
moved to Hamilton, has for the
past year or more returned to this
vicinity and made her home with
Mr. and Mrs. John McKenzie. She
has been in the habit of visiting
neighbors at times and frequen-
tly would remain all night. On Sun-
day afternoon she went out, think-
ing she had gone to a neigh-
bor's, they didn't suspect any-
thing wrong. Not returning on
Monday forenoon, Mrs. McKenzie
went to the neighbors for her. She
hadn't been there. After some
search Mrs. McKenzie found her
lying cold in death, face down-
wards, where she had fallen. Dr.
Gunn, coroner, held an inquest on
the following day and the verdict

rivets are being used in the dam.

War Tax on Railway Tickets.

The special War Revenue Act,
1915, more commonly known as
the war tax, becomes effective on
April 15th.
Important features in connection
with its application on railway
and steamship tickets are:
The act provides that the tax
must be paid by the purchaser of
the ticket, and that anyone refus-
ing or neglecting to pay it is sub-
ject to a fine of not exceeding \$50.
The amount of 5 cents on every
parlor car seat and 10 cents on
every sleeping car berth.
On railway and local steamship
tickets it is 83.00 or fraction there-
of, according to the value of the
ticket, and that there is no charge
on a ticket costing \$1.00 or less.
That on group steamship tickets
varies according to the value:
\$10.00 and under, no tax; \$10.01
to \$40.00, \$1.00; \$40.01 to \$50.00,
\$3.00; \$50.01 and up, \$5.00.
The Government directs that un-
der no circumstances may the tax
be refunded and further instructs
that it applies on all tickets read-
ing between or from points in Can-
ada, whether sold in Canada or in
a foreign country.
In accordance with the act, rail-
way and steamship companies will
act as collection agencies for the
Government, and every ticket, be-
fore the time of issuing the ticket,
Further provision is made that
war stamps will not be used in
connection with railway and
steamship tickets. The transpor-
tation companies will collect the
tax and will account for same to
the government in the manner pre-
scribed in the act, or as directed
by the minister of finance.
