THERE HAS NOT BEEN any increase in the price of COLUMBIA RECORDS

They are Made in Canada—consequently are not subject to the 7 1/2 per cent. War Tax.

They sell from 85 cents to \$7.50, but no matter what price you pay, the Columbia Record at that price is exceptionally good value for the money.

Go to the dealer whose name is mentioned below, and ask him to give you a catalogue of Columbia Records.

If he hasn't any, owing to the big demand, write direct to The Columbia Graphophone Co., Toronto, and you will receive one by return mail. But go to the local dealer whose name is mentioned below, and ask him first; also ask him to play over some of the newest Records including:

- A1701 Sweetheart of Mine I'm Not Ashamed of You, Mollie 85.
A1686 Somewhere a Voice is Calling Whispering Hope \$1.00
A5649 Handel's Largo, by Casals Melody in F, by Casals \$1.50
A5644 A Perfect Day Suzi \$1.25
