On Active Service. Owen Sound staged a big parade on Friday evening last followed by an open air speech-feast on the Market Square. The third over-seas company has about completed its training at local headquarters and will leave shortly for Niagara. Twenty-one men are leaving at once for the firing line as this company's quota of the first draft of reinforcements for the first coningent now in action. Speeches were delivered by Mayor McQuaker of Owen. Sound; ex-Warden Breese, better half spent from Saturday of Chatsworth; C. S. Cameron, till Monday with relatives near M.L.A., and E. S. Middlebro, M. Hanover.
P., after which each, of the men of Rev. W. W. Prudham has investthe contingent was presented with ed in h Sound, and a sum of money by the council of the municipality. Marklatter presentation. A crowd of four thousand filled the Market

Square. The men of the contingent looked smart, and fit in their neat khaki uniforms. That they are anxious to get away is evidenced by the fact that when the Commanding Officer asked for wenty-one volunteers to go at once as reinforcements, about thre imes that number stepped out and hey had to cast lots to weed out the surplus number. All of the Markdale men volunteered and si were selected. The men regruited from Markdale in the Third Con ingent are as follows:

Sergt. E. Bellamy. Corp. E. Hovles. Pte. A. Johnston. Pte. E. Brooks. Pte. K. Wilson.

Pte. E. Fawcett. Sergt. E. Gibson. Pte. G. W. Haskett. The first six named will go for ward with a battallion of reinforcements as soon as arrange ments are made for transport. The thers will complete their training with the Company of the 37th Battallion. Any young men wishing to enlist to fill the vacancies caus

once to the officers of F Coy, at Markdale. People in general are asked. refrain from circulating reports of casualities among our men, when such reports are only rumors and have no foundation in fact. They serve no good purpose and often cause needless anxiety to friends. As an instance of this |Sergt. Clavanagh, who returned last week after being three months in the hospital with rheumatism, was previously reported as having been hot in the leg, his arm blown off and finally as having been taken

By Order of the Council, R. W. ENNIS, Reeve.

A "Pay Up" Week.

A little town in Wisconsin originated a bright idea, which seems to have taken root in a very large section of the state. When the town in question announced its purpose of observing a pay-up week in which all debtors would make settlement, everybody smiled ness of every detail of the process but the thing was done and several Brown and the late Thomas Lantic Sugar. And this keen repaired has had its most prosperous year, of Holland Centre. The marriage beyong the actual refining of the late the first week in sugar, to the filling of the certon. The engagement is announced of of converting raw sugar into the thousand unsettled bills were clear-rsula A. Brown, daughter of Mrs. sparkling, diamond-like granules of ed in the process. Now the place and bags. Lantic Sugar comes to The philosophy of the plan is

Madame Housewife in the attraction simply this, that by paying your bile cardboard cartons, containing bills, the other fellow is enabled to pay his, and so on in a sort of endless chain, which finally comes around to you again, with you out of debt and no one owing you. Thus all are quits, commercial skies are clear, and everybody feels

In the first experiment over 840,000 in old accounts changed hands, and further liquidations promise to be a financial tidal

The idea of a pay-up week is excellent, and should be helped along and the wider it extends the more homemade preserves, sound and stable will be the busi-
