All the liberal newspapers in the Dominion are landing to the skies the French and Russian Governments for prohibiting the use of strong drink in their armies; but not one of them, not even the "Christian Guardian," are sounding the praises of our own Colonel Sam Hughes, who abolished the canteen before the European Countries ever thought of such a move. Hats off and three cheers for Colonel Sam.

All roads lead to Kimberley on June 3rd, when the Women's Institute will hold a patriotic Garden Party and Concert. Among the sports will be a baseball game between Kimberley and a team of Indians off the reserve at Brantford. In this team are two or three first cousins of Tom Longboat, the fleet footed marathon runner. This game alone will be well worth the price of the admission fee. There will also be other sports and a concert of a very high order in the evening. Everybody be sure and come and help to swell the patriotic fund, which is certainly a very worthy cause.
