Williams' Pink Pills Right to the Root of the Trouble.

No trouble causes more widespread suffering, and discomfort than indigestion. The ailment takes various forms. Some victims are ravenous aid, trying to make for food; others turn sick at the sight in both a hard-knot in of meals; but as a rule every meal is followed by intense pains in the chest, heartburn, sick headache and often nausea. Indigestion assumes an obstinate form because ordinary medifight," said the cines only subdue its symptoms but do not cure. So-called pre-digested ally any point left." foods only make the digestion more sluggish, and ultimately make the at her pricked fin- trouble take a chronic form.

Dr. Williams' Pink Pills cure indigh I hadn't been gestion because they go right to the root of the trouble. They make new, rich blood, which so strengthens the sewn half the system that the stomach does its own aid Mary, "and you work and digests the food in a natural way. Many a terrible sufferer from n through enough indigestion has found a permanent needle; "but if you cure through a fair use of Dr. Williams, Pink Pills. Among them is Mrs. H. Carmern, Locke Street North, mean, then?" asked Hamilton, Ont., who says:-"Dr. Williams' Pink Pills not only gave me new health, but new life. For five very badly treated, years I was a great sufferer, was almost constantly doctoring, and spent how," said Mary a great deal of money with absolutely tell me how you no result. My stomach was in such a dreadful condition that frequently it would not retain nourishment of any a little. "I kind. When I ate I suffered terrible rains, a fluttering of the heart, and the I'm ready for often a feeling of nausea. In addition to this I was in a very anæmic condition, and felt as if I was lingering between life' and death. One day

while sitting in the park a lady got that happened, af- into conversation with me, and I told with a number of her my trouble. She asked me if I higth of thin steel had tried Dr. Williams' Pink Pills, heattad in a fire for saying that they had been a great in out and placed on benefit to her daughter. When I have there I was went home I decided to try this mediothers by a curved cine. I soon found the pills were bis ned and tempered helping me, and continued taking t had a bad temper them for several months, when I was wards the Alberta boundary, are estimated at 35 bushels to the acre.
