(This week's items.)

Another of the pioneers of Artesia has passed away in the person of Mr. Alexander Stewart, who died at the home of his son-in-law, Mr. A. M. Gilchrist, on Thursday last, August 26th, at the ripe age of 79 years and eleven months. He was a man with robust health until about two years ago, when seized with a paralytic stroke, which left him in an enfeebled condition. Over a year and half ago he suffered a severe blow by the death of his beloved wife. He then gave up his home here and has since lived with members of his family, by whom he was cared for in the most affectionate manner. To his large and highly esteemed family of children he was a kind and devoted father. In the community he was highly respected for his integrity and his kindness as a neighbor and cheerful disposition were characteristics of his life. In politics he was a staunch Liberal. Mr. Stewart was a native of Inverness, Scotland. When a young man he came to Canada and for some time lived at Brampton, where he was married nearly fifty-seven years ago, and immediately after came with his bride to Artesia and settled on the west back line, where he farmed with success until twelve years ago, when, succeeded by his son John, he retired to a comfortable home in the village. He is survived by four sons and six daughters, viz: Mark and John, near Flesherton; William at Fort William and Charles at Kindersley, Sask.; Mrs. John Nixon, Mono Road, Mrs. John Thibaudeau, and Mrs. Peter Thibaudeau, Markdale; Mrs. Donald McLeod, Mrs. Andrew Gilchrist and Mrs. Alex McRae, Ceylon, all of whom were present at the funeral but Charles. The funeral, which was largely attended, took place at Flesherton cemetery on Monday afternoon, service being conducted at the house by the family pastor, Rev. A. McVicar, assisted by Rev. Mr. Matheson. The pall bearers were five sons-in-law and one nephew of the deceased. The family contributed an appropriate and beautiful floral offering, being in part a sheaf of ripe grain in the form of a sickle. With favourable weather, large congregations, able sermons, good music and liberal contributions, the Methodist Church reopening services on Sunday were very successful.

Rev. George Waugh, of Dundalk, was the gifted preacher secured for the occasion, and his eloquently delivered sermons pleased the congregations. The pastor, Rev. Mr. Dudgeon, assisted in the services and the venerable Rev. Peter Campbell, of Maple, who was a visitor in the morning, also took part. Master Willie Norris,

of Toronto, the boy soprano, who

possessed a sweet voice, sang with good effect, and the choir assisted by other talent, rendered excellent music. The contributions and subscriptions given amounted to \$355. The entire cost of the renovation, including electric lights to be installed, is estimated at \$775. At a concert to be given this Monday evening, when home talent will be assisted by Mrs. Barton and Mrs. Peterson, of Dundalk, it is expected the balance to be provided for will be covered. The interior of the church, which was last artistically decorated 19 years ago by the late W. H. Fletcher, again presents a new and attractive appearance, the job being done by the T. Eaton Company, decorators, Toronto. In the auditorium the prevailing color on the ceiling is a rich cream with artistic border and an excellent design covers the upper end walls. The lower walls are finished in tiffany blend the somber shade harmonizing with the dark grained wood-work and seats. A handsome new pulpit in natural grain, designed to match the organ and the workmanship of Mr. Win. Large in the factory here, has replaced the old one moved to the basement, and the pulpit and choir platforms have been carpeted anew. The basement is especially bright and inviting, the ceiling and walls have been finished in cream with neat stenciling, and the woodwork throughout beautifully grained in light oak. The graining on the large doors at the front entrances of the church is a beautiful work of art.

A sad death occurred at the home of Mr. Thomas Sherwood, near Portlaw, on Wednesday night of last week when his esteemed wife passed suddenly away with heart failure a few minutes after retiring. She had been in this village during the afternoon to consult a doctor, but though not feeling as well as usual, little anticipated the end of life so soon. Her sudden demise was a great shock to her husband and also to her aged and feeble mother and family, all of whom have the sympathy of the community in their bereavement. The deceased was 52 years of age and was a daughter of the late Mr. Wm. Wright, of the West Bank line. She was married 25 years ago to Mr. Sherwood, who survives her alone, their two children having died quite young. The funeral took place to Flesherton cemetery on Friday afternoon and was largely attended. Service was held at the house, conducted by Rev. A. McVicar.

The prize lists for the Flesherton Fall Fair last year, which were mailed to the members of the Society, will be the lists to be carried out in full this year. Members are requested to look up the 1914 list, but if not received or mislaid, drop a card to the Secretary, W. W. Buskin, Flesherton, or call and get one. Remember the date, Tuesday and Wednesday, September 28th and 29th, and a big fair is promised this year.

MARRIED.—At Toronto, on August 26th, in Sherbourne street Methodist Church, by Rev. W. T. Brown, Rev. Dr. Jos. Ward, B.A., to Miss Mary A. Gamble, of Toronto. Dr. Ward was a former pastor in the Methodist Church here, but has retired from the ministry and is now a Kiropractic physician in the city.

Mr. H. J. Taylor, of Ripley, taken a position in Mr. R. J. Sprout's office here.

Mr. and Mrs. Ogle Cooper and children, Frances and Norah, of Collingwood, motored over on Saturday, accompanied by Mrs. Cooper's sisters, Mrs. J. E. Cameron and Miss Mabel Clark, of Clinton. We were pleased to again meet these sisters, who came to visit the graves of their parents, the late Mr. and Mrs. Wm. Clark, and see a few of their old friends.

Division Court was held here last week, but the sitting was short and of but little public interest.

Mr. and Mrs. George Bellamy, of Markdale, have the congratulations upon the birth of their twins—a boy and a girl—last week.
