THE DARDANELLES OPERATION ONLEVE OF A GREAT SUCCESS

Within Little Distance of a Triumph That Wil Affect All World, Says Lord Robert Cecil.

ill formerly First Lord of the Admir-ally, now Chancellor of the Duchy of Lancaster, said shortly before the forces, including heavy landing artil-Cabinet changes that the allies were lery for a new general attack on the within a few miles of final victory at Dardanelles. The presence of mine-

yet been covered, the belief evidently as foreshadowing increased activity, still grips the British Ministers. Sir including a vigorous bombardment of Robert Cecil in a speech at Croydon the outer Dardanelles forts. Acdeclared that the Anglo-French forces cording to a despatch to the Temps are within little distance of a great from Dedeaghatch, the Bulgarians are success in the Dardanelles which actively fortifying that port and its would have an enormous effect on all parts of the world.

A despatch from London says: 'It According to information received in Bulgaria from reliable sources, the sweepers at Seddul-Bahr, near the Although these few miles have not entrance to the Straits, is regarded environs. Heavy guns are being placed at all stragetic points.

REFUSES TO PAY FOR LIVES LOST

Germany, in Note to U. S., Sees No. Obligation in Arabic

A despatch from Berlin says; Germany's note to the United States bear- matter of course, the arbitral deciing on the sinking of the White Star sion shall not be admitted to have Line Steamer Arabic, which was com- the importance of a general decision municated to the American Ambassador, James W. Gerard, for transmis- under international law of German sion to Washington, is in the form of submarine warfare." memorandum under date of Sept. 7, the text of which follows

"On Aug. 19 a German submarine stoped the English steamer Dunsley about 16 nautical miles south of Kinsale, and was on the point of sinking the prize by gun fire after the crew had left the vessel. At this moment the commander saw a large steamer making directly towards him. This steamer, as developed later, was the Arabic. She was recognized as an enemy, as she did not fly any flag and bore no neutral markings.

"When she approached she altered
