Many women with disfigured complexions

never seem to think that they need an occasional cleansing *inside* as well as *outside*. Yet neglect of this internal bathing shows itself in spotty, and sallow complexions—as well as in dreadful headaches and biliousness. It's because the liver becomes sluggish, and waste matter accumulates which Nature cannot remove without assistance. The best

CHAMBERLAIN'S TABLETS

remedy is Chamberlain's Stomach and Liver Tablets, which stimulate the liver to healthy activity, remove fermentation, gently cleanse the stomach and bowels and tone the whole digestive system. TRAVERSTON

(Special to The Standard.)

Hark! they whisper! angels say,
"Sister spirit! come away!"

And truly, Jessie Belle Haley was a little angel lent to earth for a brief time. She was born ten years ago last May, the second eldest child of Mr. and Mrs. Jas. Haley. Sweet and winning in voice and manner, fair as the fairest flower, and the spirit so full of song and simple faith.

Last winter she began to fail and medical men pronounced it Diabetis and held out little hope, but fond parents, and members of the Martin and Peters kindred have spared no expense, have used every cure to woo her back to health again, and for months it seemed, as if their hopes would be realized, until in the beginning of last week, she began to fail and passed peacefully away Friday morning.

Dear little Jessie Belle! Everybody loved her. The funeral took place to Zion cemetery on Sunday afternoon, and great concourse of people of all creeds gathered to show their sympathy and respect. Rev. E. S. Moyer of Durham conducted a comforting service in the home and presided at the grave, which was robed in white and was garlanded with pink and white asters and as the lid closed over the beautiful casket, Pastor, Teacher and schoolmates tenderly sang.—"Yes, we'll gather at the River." The parents, family and devoted kindred have the sympathy of a very wide circle of neighbours and friends.

Miss Mary Peters arrived home on Saturday evening from Ilochester to be persent at her cousin's funeral and brought a lovely floral hand spray, in loving remembrance.

Rally day in Zion Sunday School has been postponed until Oct. 10th.

Mr. Vincent Paylor and bride move this week from the Falls Farm over to the McNab farm, 6n 2nd. Con. N. D. R. We wish them every success.

Mr. W. J. Cook sold seven head of feeder's to Mr. H. Brigham of Allan Park on Friday last.

Troubles never come singly. On Saturday, a telegram came to Mr. Patrick Haley sr., announcing the death of his youngest daughter, Annie, Mrs. Herman Glasser, of Niagara. 'Twas a sudden shock, indeed, as she had written them only a few days before, stating that she purposed coming this week on an extending visit. The funeral is to take place there on Tuesday morning and members of the family will attend. She was only about forty years of age.

One of our most popular young men is to be wedded on Wednesday evening of this week to one of Egremont's fair daughters and a big crowd from this vicinity are invited to the wedding. We'll give particulars next week if the O'Neil Bros. do not kill us at sheaf-dropping.

Mr. and Mrs. Will Reed and Miss Myrtle Hunt, of Oxbow, Mich., and Mr. and Mrs. J. Smith, of Hamilton, paid a short visit to Mr. and Mrs. A. G. Blair one day last week.

Inspector Campbell paid his semi-annual visit to No. 5 on Friday afternoon.

A generous-hearted pioneer mother, Mrs. Timothy Ryan, of the 5th con., passed away on Wednesday evening of last week after a brief illness, though a sufferer from heart trouble the past two years. She was born in Ireland, but came to Canada while young, the family settling at Caledonia. At the age of 24 she was happily wedded to Mr. Ryan and 'tis 46 years since she came a bride to Glenelg to lot 6, con. 5, which has been a hospitable, happy home ever since. To them were born two sons and three daughters, but the father and the eldest son, Denis, passed on some years ago. The surviving members of the family are: Mary A., Mrs. Quillinan, Maggie, Ellen and Will on the homestead. The attachment between mother and the family was very deep. The funeral took place to St. John's on Friday morning, where Rev. Father Flahaven conducted an impressive requiem mass and presided at the graveside. A large number of neighbors and friends were present to show their esteem and respect.

John Meagher, jr., put on the finishing touches of re-shingling Zion on Saturday last and the Trustee Board of the church are highly pleased with the work.

John O. Greenwood attended Priceville Fair on Friday last and brought home the red ticket for his team of drivers.

If Mr. Wm. Baker attends many more fall fairs he soon will have a wheelbarrow full of prize tickets. He swept the list in Durham, did well in Priceville and will likely do well at Markdale too.

THICK, GLOSSY HAIR FREE FROM DANDRUFF

Girls! Try it! Hair gets soft, fluffy and beautiful—Get a 25 cent bottle of Danderine.

If you care for heavy hair that glistens with beauty and is radiant with life; has an incomparable softness and is fluffy and lustrous, try Danderine.

Just one application doubles the beauty of your hair, besides it immediately dissolves every particle of dandruff. You can not have nice heavy, healthy hair if you have dandruff. This destructive scurf robs the hair of its lustre, its strength and its very life, and if not overcome it produces a feverishness and itching of the scalp; the hair roots famish, and die; then the hair falls out.

Surely get a 25-cent bottle of Knowlton's Danderine from any drug store and just try it.

Eugenia Tunnel Blocked

Visitors to Eugenia Falls will no longer be able to explore the long unused tunnel close to the Falls. The end of the tunnel next to the cataract, has by all appearances caved in and the eastern entrance is completely blocked. Another story is that the authorities have used dynamite to close the tunnel up as they feared a mishap was due.—Durham Review.

South Grey Fall Fair.

The South Grey Fair has again passed into history, and we are told it was a record breaker in gate receipts, though a little below the average, perhaps, in the number of exhibits, but quite up to any of its predecessors in the articles shown.—Chronicle.

Few if any past shows of this Society have been more successful than that of 1915. None ever had better weather, and the people in town and country turned out loyally. Pres. Calder, Secy. Binnie and the Directors smile. The gate receipts were $437.00, largest we believe in its history. The judging gave general satisfaction, the exhibits in most classes were up to the average, so that the fair ended with a flavor that bodes well for 1916.—Review.

A motor load of citizens went over to the Durham fair on Friday last and pronounce it unusually poor with a very large crowd. This is a combination that pays the society all right—for the time being.—Flesherton Advance.

Newmarket Must Pay the Price.

The town of Newmarket, which recently turned down hydro-electric lighting, is now having its troubles under its new arrangement for light with a private company. Complaints are being made to the town council. It was claimed at a recent meeting that one citizen who had but one light in his office, is compelled to pay nine dollars a year for same, and he uses it very little. Another instance was stated in the case of Dr. Clark. In his office he formerly burned three to four dollars' worth per year, while under the new By-Law he pays twelve dollars. Newmarket is in the grip of private ownership, who succeeded in blindfolding the people when they had an opportunity to get a good arrangement with the Hydro Commision of Ontario.—Newmarket Era.

Butter Thief.

The fellow who stole George Binnie's butter on the night of the fair has solved in part the problem of the high cost of living. It was a 30lb. tinnet that Mr. Binnie had on exhibition and was the real good kind. We don't know whether it was a prize-winning package or not, but it was good enough to be, and the thief will be able to verify our statement. It was sold at a good price. But the intervention of the sneak prevented the delivery of the goods. Mr. Binnie had it in his democrat, but forgot to chain it down when he went to his supper. When he came back the butter was gone. We don't know the thief, but whoever he may be, we would rather see him get 30 days than the 30 pounds of butter. Whatever pride he may take in the general good conduct of the town and vicinity, this is an evidence of the fact that some of the meanest kind of thieves are still running at large. On the first night of the fair a rubber lap robe was stolen from the buggy of Mr. Thos. Binnie.—Durham Chronicle.
