Her progress, at night in particular, cannot be easily detected. Before the war opened, Simon Lake, an Ameried a fresh policy with a new type of submarine. Ships of this class are could be under-water type which could lay these deadly explosive agents. The Germans have merely proved that the method is practic

## ALLIES INVADE BULGARIAN SOIL

Defeat a Force of 40,000 Attempting. EYE-WITNESS TELLS OF THE Railway

A despatch from London says: The How French and Canadians Were allied forces from Salonica have begun operations against the Bulgarians with unexpected zeal, and already the Serbo-Anglo-French forces have penctrated into Bulgarian territory just north of the Greek boundary, and are attacking the Bulgarian stronghold of Strumnitza, according to advices re-ceived from Salonica by the Reuter's Telegram Company.

The advices declare that [the fall

of Strumnitza is imminent." The despatch continues: "The Serbs aided by the allies, repulsed the Bulgarians, who retreated on Strumnitza. "It is learned from diplomatic. sources that Field Marshal von Mackensen, the German communeer, has demanded reinforcements." A special despatch to the Rome

Idea Nazionale from Athens says: "One-third of the Serbian army has been sent against Field Marshal von Mackensen on the Drinn, Save and Danube Rivers, while the other twothirds have been placed along the eastern front against the Hulgarian forces. The latter at many points have taken the offensive. "Serbo-French troops intinted af

ter their success at Vilandove a rapid counter-offensive action, and penetrated into the enemy's territory and are marching victoriously on Strumnitza, the occupation of which is probable owing to the feeble resistance of yellow as it travelled ever the counthe enemy." Earlier despatches told of the de-

parture of the troops from Salonica and of the opening of the engagement of which the above desputch is probably the sequel. The earlier despatch, ed like rats in a sewer." which was dated Athens, read;

The French troops in Macedonia have received their baptism of fire near the railway bridge at Hadove (Gievgdi), where they were attacked by 40,000 Bulgarians.

"The scene of the fighting is a few miles north of the Greek boundary.

The Bulgarians were attempting to mile breach in our line, and through Kalandovo and Dovdove, a jew miles north of the Greek boundary, to pre- has selden become in the real north of the Greek boundary, so prevent the transportation of relaforec-ments and supplies to the Serolans, without parallel.
