WHY YOU ARE NERVOUS

The nervous system is the alarm system of the human body. In perfect health we hardly realize that we have a nervous system, but when health is ebbing, when strength is declining, the same nervous system gives the alarm in headaches, tiredness, dreamful sleep, irritability and unless corrected, leads straight to a breakdown. To correct nervousness, Scott's Emulsion is exactly what you should take; its rich nutrient gets into the blood and rich blood feeds the tiny nerve-cells while the whole system responds to its refreshing tonic force. Free from harmful drugs. Scott & Bowne, Toronto, Ont.

Newspaper Financing.

At a meeting of the Perth and Huron Counties section of the Canadian Press Association held in Goderich recently, the main topic of discussion was the proposal to increase the subscription price of weekly papers in these counties. A peculiarity of the newspaper business is that it gives the public something for nothing, so much so, that publishers of daily papers, which during the war have issued numerous extras, have found that they are losing money, and the more extras they issue, the more they lose, because the price for which the paper sells pays for only a fraction of the cost of producing it. The cost of material and labor has very largely increased in the last few years and the question of increasing the subscription price of weekly papers to \$1.50 is a live one. Many of our dailies have advanced their subscription terms on account of increased expenses and it looks as if the weeklies may have to follow suit. In Bruce County the \$1.50 rate is being brought into effect, and certainly, taking the increased expenses of a good weekly paper into consideration, \$1.50 is none too much. There is no institution, which does so much for a community as the press, and sometimes some people would like even to add to its functions, making it, in effect, a detective, constable, magistrate and moral reformer, all free of reward, but should there be any loss of revenue from any stand a paper may take, these same people are quite willing that the paper should bear the burden in all patriotic, philanthropic and progressive movements a newspaper is expected to and does give a large amount of publicity without charge. A careful computation by one publisher gives the cost of producing his paper as \$1.72 a year, and in the face of such a figure it does not look reasonable to sell the paper for \$1 a year. A meeting of the publishers in the counties of Huron and Perth is to be held shortly in Stratford to consider the question of the advisability of raising the subscription price of weeklies in these counties, and if the \$1.50 rate should be decided on it should have the approval and support of the public at large.—Goderich Star.

Christmas Appeal

FOR
The Hospital for Sick Children
COLLEGE ST., TORONTO.

Dear Mr. Editor:—
Thanks for your kindness in allowing me the privilege of appealing at this Christmas time on behalf of the Hospital for Sick Children, Toronto.
In the 40 years of the Hospital's existence there have been treated within its walls 28,198 children as in-patients; 23,788 as out-patients; a grand total of 51,986 children.
The Hospital for Sick Children gives a province-wide service, for little patients from every section of Ontario have sought its aid. Last year 49 patients were admitted from 232 places outside the city of Toronto. In 1914 there were 364 from 210 places.
Of the 2,838 in-patients last year 1,771 were medical cases and 1,067 surgical. In the orthopedic department of the 2,838 in-patients, 264 were treated for deformities, 21 Pott's disease of the spine, 10 lateral curvature of the spine, 10 bow-legs, 57 club-foot, 17 dislocations of hip, 42 tubercular disease of knee, hip, ankle, wrist and elbow; 78 infantile paralysis, 8 wry neck and 21 miscellaneous.

Our battle is never-ending—is one that will continue while the world lasts, for it is the fight between the armies of life and death, the child life, the sick little ones, sons and daughters, not only of our soldier men, but of the fathers and mothers still in this home-land province.
The Hospital is beating back disease and death, the enemies that assail the lives of little children all over British Empire and Turkey, the enemies that assail the life of liberty.
So we appeal to the generous people of Ontario not to forget those so near and dear to us who lie in the beds and cots of this great charity.
Will the people at large, as of old, respond to our call? Will they remember that every year is a war year for the Hospital, every day a day of battle, and that the Hospital needs money, not for its own sake, but for the children's sake?
The Hospital has waged its war for forty years. The people of Toronto and Ontario have been its friend, and this year of all years it requires help. Surely you will give to a charity that cares for every sick child in Ontario, for only as your money reaches the Hospital can the Hospital's mercy reach the children.
Every dollar is a link of kindness in the chain of mercy that joins the heart of some child's life, some mother's heart.
Remember that Christmas calls you to open the purse of your kindness to the Hospital that the Hospital may open the heart of its help to the children.

Will you send a dollar, or more if you can, to Douglas Davidson, Secretary-Treasurer, or
J. ROSS ROBERTSON,
Chairman of the Board of Trustees,
Toronto.

PICK, GLOSSY HAIR FREE FROM DANDRUFF

Girls! Try it! Hair gets soft, fluffy and beautiful—Get a 25 cent bottle of Danderine.
If you care for heavy hair that glimmers with beauty and is naturally with life; has an incomparable softness and is just and justurous, try Danderine. Just one application dissolves the beauty of your hair, besides it immediately dissolves every particle of dandruff. You can not have nice healthy hair if you have dandruff. This destructive scourge robs the hair of its lustre, its strength and its very life, and if not overcome it produces a feverishness and itching of the scalp; the hair roots thicken and die; then the hair falls out. Surely get a 25-cent bottle of Danderine from any drug store and just try it.
