#### PARISIAN SAGE PUTS HAIR ON YOUR HEAD AND KEEPS IT THERE

What's the use of being bald? What sense is there in deliberately allowing your hair to turn gray? Do you want to look old before your time? Give up the thought; old age will come only too soon. Look after your hair. PARISIAN SAGE will kill the dandruff germs, and is the only preparation, so far as we know, that is guaranteed to do so. Man or woman, no matter how old you are, PARISIAN SAGE will make you look young. Come and get a large bottle to-day. It only costs 50 cents, and your money back if it does not cure dandruff, stop itching hair, or itching of the scalp. It will make your hair luxuriant, bright and beautiful, and it is the most refreshing, pleasant and invigorating hair dressing made.
