Items of General Interest from The Standard Files of Dec. 18, 1890.

Mr. J. W. Elliott, druggist, of Chatsworth, formerly of Markdale, died suddenly on the 14th inst.

Messrs Moffat and McFarland, roovers of Glenelg and Markdale, let the contract of building a new bridge across the Sauguen river at Barrhead Mills. Mr. J. R. Baines got the contract.

Fred G. Stephens, our assistant postmaster, is quite an expert taxidermist. His display of stuffed birds and animals is indeed creditable, a fine sample of which may be seen at Breadner and Cassor's jewelry store.

Canadian Pacific Railway Company.

At this season of the year, many are planning their winter tours. Considerable numbers annually visit the ever-popular California resorts, while many choose the flowers and sunshine of Florida, together with the very even climate.

Numerous people in comfortable circumstances, well able to afford a winter tour, have the mistaken idea that a trip of this nature is most expensive. This is not so. Thanks to modern railway facilities, an expensive trip, both interesting and educational, may be made with speed and comfort at a comparatively small cost. Why not investigate?

The Canadian Pacific Railway offers particularly good service to Detroit, where direct connection is made for Florida. Via Cincinnati, Ohio, and Atlanta, Ga., Jacksonville, Florida, is reached several mornings after leaving Detroit. Excellent connections for Florida can also be made via Buffalo.

The Canadian Pacific-Michigan Central route (via Michigan Central and Detroit) will be found the ideal line to Chicago, where direct connection is made for the Southern States. New Orleans is reached second morning after leaving Toronto.

Direct connection is also made at Chicago for points in California, Texas, Arizona, etc.

The Dining Parlor and Sleeping car service between Toronto, Detroit and Chicago is up-to-date in every particular. Connecting lines also operate through sleeping and dining cars.

Those contemplating a trip of any nature will receive full information from any C. P. R. agent, or write M. G. Murphy, District Passenger Agent, Toronto.

THE STANDARD EXTENDS TO ALL ITS READERS THE COMPLIMENTS X OF THE SEASON AND ALL GOOD X WISHES.

10 CENT "CASCARETS" IF BILIOUS OR COSTIVE

For Sick Headache, Sour Stomach, Sluggish Liver and Bowels—They work while you sleep.

Furred Tongue, Bad Taste, Indigestion, Sallow Skin and Miserable Headache come from a torpid liver and clogged bowels, which cause your stomach to become filled with undigested food, which sours and ferments like garbage in a swill barrel. That's the first step to untold misery—Indigestion, foul gases, bad breath, yellow skin, mental fears, everything that is horrible and nauseating. A Cascareset-night will give your constipated bowels a thorough cleansing and straighten you out by morning. They work while you sleep—a 10-cent box from your druggist will keep you feeling good for months.

JEWELLER & OPTICIAN

Presentation at Walters Falls.

It was with deep regret that the people of Walters Falls and vicinity gathered at the manse there on Wednesday evening, Dec. 8th, to say farewell to Rev. Mr. and Mrs. Matheson on the eve of their departure for their new field of labor at Hawkesbury. A large number of their friends were present and presented them with a purse of gold and silver. Mr. Moffat acted as chairman and the address was read by Mrs. Wm. Reid, while Mrs. John Reid made the presentation. Mr. Matheson made a fitting reply on behalf of himself and his wife, thanking the people for their kindness. After the presentation, the ladies present served a dainty lunch. The address was as follows:— Dear friend—It is with deepest regret, we have gathered here this evening to endeavor to convey to you and to you, Mrs. Matheson, our sorrow in parting with you. During your pastorate here, we have received from you rich spiritual food, as Sabbath after Sabbath you have so earnestly and faithfully broken unto us the Bread of Life. Out of Gods Crucified Saviour as our only hope of salvation, enabling us through your plain, clear presentation of the truths contained in God's word to look, and long for the return of our blessed Lord and Master. Especially do we, who have attended the Bible Class wish to convey you, Mr. Matheson our thanks for the instruction
