Useful Information

The ladies of the Markdale Women's Institute, have procured a large quantity of yarn for socks, and will be glad if the ladies of the town and country, (who have not been knitting) will volunteer to knit. Anyone wanting yarn, can get it at the home of Mr. Thos. Mathews, where Miss Mathews, will gladly give information regarding sizes required, etc. The socks can be handed into her, when ready for shipment. Every two weeks, we ship what is ready to the Red Cross Toronto. The fund for this yarn is raised by Red Cross Teas, already a number have been given and we will be glad for further assistance in this way, as the cry from headquarters is for socks, and just now a greater effort is being made to send these comforts to our men in the trenches, and who must suffer at this time of year. We thank all who have assisted in anyway, and will appreciate your assistance, whether a member or not.

Accompanying the excursion from Owen Sound were Mayor Little and Mr. John McQuaker, chairman of the county recruiting league, who delivered short addresses in the town hall. Markdale Beat Warton

In an Intermediate O. H. A. game played here on Friday, the home team defeated Warton's fast Intermediates, by the decisive score of 9-2.

As this is last year's junior team, with the exception of two players, great credit is due them in defeating such a good team as Warton. The boys win here gives them a grand chance to land group honors. A win from Owen Sound at Owen Sound, will do this.

For Markdale, Staples in goal, was the real shining light, his work being done above par, Mayhood on the defence, made the prettiest rush of the game, he going from his own goal clean through for a goal in the 2nd period. Burnside, at Kover was always in the game. "Nicks" ginger is the life of the team. H. Mercer at Right Wing, played a great game, he being all over the Warton forwards. Lloyd Burnside and the two Merriams played a good steady game and helped very much in the scoring.

For Warton, MacDonald and Brown on the Forward line, were easily their best men, D'Ashley did not get going, as Nick Burnside was on top of him at every turn. The Warton goaler was not of first-class calibre.

O. S. Beat Markdale.

Markdale was beaten at Owen Sound on Monday by the score of 3-1.

This was the deciding game, which Markdale would win the group of 147th make a tie of it. The 147th battalion succeeded in making it a tie, not on their merits, but not by fair means, but unfair means. It was decidedly noticeable that 147th battalion was to win, as the referee and penalty taker, who was secretary of the Warton team, certainly did all in their power to have the 147th do so.

Markdale is by far the best team and would certainly have won with a fair and square deal. This particular referee, Mr. McLeod, of Toronto, is certainly what was left over on the list of referees of the O. H. A., and is not a capable man. On a recent trip here this same referee had to take a sleep and then have some small boys direct him to the rink at night, which he could not find and where he had also been in the afternoon. His eyesight and head certainly were affected.

For Markdale, Lloyd Burnside, Mercer, Mayhood, and Staples were the stars. For Owen Sound, we would give Creighton and Adams the call, as also Lenahan in goal, who saved many hard shots. Markdale are good sports and don't mind losing by fair means, which was not the case in Owen Sound.

FLESHERTON

(Special to The Standard.)

Miss Aleda Mitchell visited over the weekend with Miss Lillian Bunt at Owen Sound. The home of Mr. and Mrs. W. A. Armstrong was the scene of a very pretty wedding on Wednesday, February 2nd, at 1.30 o'clock, when their younger daughter, Laura Aleda, was married to Mr. Herman Masson-Hyland, B.A., Sec. of Toronto by the Rev. Jas. Dudgeon officiating. The bride, who was unattended, was given away by her father and wore her travelling suit of bronze brown broadcloth, with bodies of brown chiffon embroidered in gold, a small rose-colored French hat, and corsage bouquet of violets and rose buds, and also wore a diamond pendant, the gift of the groom. The wedding march was played by her sister, Miss Lillian Armstrong. The ceremony was performed in the drawing room, under a canopy of spirlax and ferns. The library room was decorated with daffodils and the drawing room was done in pink and cream roses and spirlax. After the wedding breakfast and the congratulations of their friends, Mr. and Mrs. Hyland left on the afternoon train for their home in New York going via Buffalo and Detroit. The guests from out of town were Mrs. and Miss Hyland, mother and sister of the groom, and Miss Glenn, all of Toronto; Colonel E. F. Armstrong, of Cobalt, and Miss E. Limin, of Durham.

The drama, "The Minister's Bride" was successfully given by Markdale talent on Wednesday evening of last week. Notwithstanding wheeling over rough roads, there was a good turnout, many coming a considerable distance to see the play, a synopsis of which was given at the beginning by Rev. McVicar. The large audience, which was comfortably seated in the High School auditorium, was repeatedly convulsed with laughter at the humorous production, which was very creditably put on by Mrs. A. M. Brown and her amateur actors. Nearly all took their parts well, but some of the characters were specially well represented. Widow McDougall, who mistook the parsonage with her eight-
