Mr. Lockheart visited friends in Dundalk one day last week. We think that Spring has surely come to stay, as some of the farmers are making maple syrup.

Points to Consider When Purchasing a Railway Ticket
A husband was recently very sad because his wife had gone on a visit which she would not shorten in spite of his appeals to come home.

Points to Consider When Purchasing a Railway Ticket
He finally hit upon a plan to induce her to return. He sent her a copy of each of the local papers with one item clipped out, and when she wrote to find out what it was he had clipped from the papers he refused to tell her.

Points to Consider When Purchasing a Railway Ticket
The scheme worked admirably. In less than a week she was home to find out what it was that had been going on that her husband did not want her to know about.
