Stop that weary waste of Time and Money which goes with Hand-Milking!

You can milk more cows in a fraction of the time—you can increase the average yield—improve the purity of the milk—and do without extra hired help—by using the

EMPIRE MECHANICAL MILKER

One man with a small "Empire" outfit, consisting of one double unit, can milk ten to fifteen cows in half an hour. One man can operate two double units.

The action of the "Empire" is just like that of a sucking calf—is soothing to the most "fidgety" cow—usually increases the flow—and protects the milk from dirt and germs.

And, what is perhaps most important of all, the "Empire" Mechanical Milker solves the problem of hired help and makes you practically independent.

Interesting literature will be sent you on request.

Rules for F. C. C.

Rules and Regulations of the Standing Field Crop Competitions for 1916.

1. Societies can enter in two kinds of crops, which must be selected by the Board of Directors.

2. Fields entered for each competition must contain not less than five acres nor more than twenty in one block.

3. Competition will be limited to those who are paid up members of the Agricultural Society for the current year and fields must not be more than fifteen miles from its headquarters. Competitors will be allowed to make entry in each society only for one or two varieties of crop and only one entry can be made by each competitor in each kind of crop.

4. All individual entries must be forwarded to the Secretary of each society not later than May 10th, which are in turn forwarded to the Superintendent, Parliament Bldg's., Toronto.

5. Seven prizes are offered for each crop— 1st, $20; 2nd, $15; 3rd $12; 4th $10; 5th, $8; 6th, $6; 7th, $4.

The Dept. of Agriculture will furnish the judges. Substantial cash prizes will be offered by the Government for two bushel sacks of grain at the Provincial Winter Fairs.

In addition to the above, arrangements have been made with the Directors of the Canadian National Exhibition, to be held in Toronto, August 26th to Sept. 11th, to donate $300 in prizes for a Sheaf Exhibit from the Standing Field Crop Competitions. Those eligible to compete for the first five prize winners.

Each sheaf must be not less than eight inches in diameter, carefully selected from the best in the field, neatly bound and packed in box, lumber not to be more than one quarter of an inch thick, and to be not more than two inches wider, deeper, or wider than the box, and shipped to J. Lockie Willson, Government Bldg., Exhibition Park, Toronto, not later than Aug. 24th, 1916.

Prizes will be offered at the Canadian National Exhibition, Toronto and the Central Exhibition, Ottawa, for sheaves of grain, open to winners of the first five prizes in the Standing Field Crop Competitions.

All entries for the Special Grain Exhibit must be received at not later than August 15th. Express charges will be paid by the Ontario Government.

Grain winning prizes in the above named Exhibitions will be retained by the Dept. of Agriculture for experimental purposes, and that which does not receive a prize award will be sold to the best possible advantage and the money received for same will be forwarded to the owner.

Any further information will be cheerfully furnished by
