

Gin Pills
FOR THE KIDNEYS
They Help

"*Years ago I had such pain in my arms, sides and shins, I could not work. The salves did not help me. I used Gin Pills and soon for a sample said they were leaving. I bought more and could keep at work. I have taken six other boxes of Gin Pills well and strong. I am still at the age of a farmer, now 67 years old."*

FRANK LEALAND,
suggests sell Gin Pill in a box, 25 cents for \$2.50.
Sample free if you write to
General Drug & Chemical Co.,
Canada Limited, Toronto.
