

**Misery in Back, Headache and Pain in Limbs.**

Dear Mr. Editor—For more than a year I suffered with misery in the back, dull headache, pain in the limbs, was somewhat constipated and slept poorly at night until I was about ready to collapse. Seeing an account of the wonderful qualities of "Anurie," prepared by Doctor Pierce, of Buffalo, N. Y., I sent for a box, and before using the whole box I felt and still feel improved. My sleep is refreshing, misery reduced, and life is not the drag it was before. I most cheerfully recommend this remedy to sufferers from like ailments.

Yours truly, W. A. ROBERTS.

Note: You've all undoubtedly heard of the famous Dr. Pierce's and his well-known medicines. Well, this prescription is one that has been successfully used for many years by the physicians and specialists of Dr. Pierce's Invalid Hotel and Surgical Institute, of Buffalo, N. Y., for kidney complaints, and diseases arising from disorders of the kidneys and bladder, such as backache, weak back, rheumatism, dropsy, congestion of the kidneys, inflammation of the bladder, scalding urine, and urinary troubles.

Up to this time, "Anurie" has not been on sale in this county, but by the persuasion of many patients and the increased demand for this wonderful healing Tablet, Dr. Pierce has finally decided to put it into the drug stores of this country within immediate reach of all sufferers.

I know of one or two leading druggists in town who have managed to procure a supply of "Anurie" for their anxious customers in and around this locality. If not obtainable near one dime, by mail to Dr. Pierce for trial package or 50 cents for full treatment.

EDITOR—Please insert this letter in some conspicuous place in your paper.

**IF YOUR CHILD IS CROSS, FEVERISH, CONSTIPATED**

Look Mother! If tongue is coated, cleanse little bowels with "California Syrup of Figs."

Make your child easy after giving "California Syrup of Figs," because in a few hours all the clogged-up waste, sour food and fermenting food gently moves out of the bowels, and you have a well-pleased child again.

See, children needn't be coaxed to take this harmless "fruit laxative." Millions of mothers keep it handy because they know its action on the stomach, liver and bowels is prompt and sure.

Ask your druggist for a 50-cent bottle of "California Syrup of Figs," which contains directions for babies, children of all ages and for grown-ups.
