Of all overworked women probably the housewife is the hardest worked. She has so much to attend to, with very little help. Her work can be lightened if she knows the value of system and she should try and take a short rest in the daytime A physician who became famous almost around the world, Doctor Pierce, of Buffalo, N. Y., the specialist in woman's diseases, for many years practiced medicine in a farming district. He there observed the lack of system in the planning of the work.

If it is a headache, a backache, a sensation of irritability or twitching and uncontrollable nervousness, something must be wrong with the head or back, a woman naturally says, but all the time the real trouble very often centers in the organs. In nine cases out of ten the seat of the difficulty is here, and a woman should take rational treatment for its cure. The disorder should be treated steadily and systematically with Dr. Pierce's Favorite Prescription.

For diseases from which women suffer "Favorite Prescription" is a powerful restorative. During the last fifty years it has banished from the lives of tens of thousands of women the pain, worry, misery and distress caused by these diseases.

If you are a sufferer, get Dr. Pierce's Favorite Prescription in liquid or tablet form to-day. Then address Dr. Pierce, Invalids' Hotel, Buffalo, N. Y., and get confidential medical advice entirely free.

Canada Needs More Poultry.

(Continued from Page 1.)

profitable needs no argument. Eggs now rank as a staple article in the products of the farm. Poultry flocks can be increased materially without much additional outlay for buildings and equipment, and the increased labour involved is not such as will bear heavily upon the time of those charged with the care of the stock. Some object to the present price of feed, but when it is considered that the selling price of the product is from forty to sixty per cent. higher than it was two years ago, the margin of profit is such as will compare favourably with that obtainable elsewhere on the farm.

Canadian egg producers have responded well to the call for increased production. The country as a whole which was importing eggs a few years ago, has, in the aggregate, produced more than sufficient for its own requirements this year and last. Between seven and eight million dozen Canadian eggs were exported to Great Britain last year, and as an indication of what is going forward this year, nearly one million dozen were shipped during the first week of October. Yet the supply on the British market is still short, and there is a demand for many millions more. Increased production, more and better poultry should be the motto of every Canadian farm and homestead.

Canada has all the requisites for the production of a quantity far in excess of her own requirements, and with her favourable climatic conditions can, with proper care and attention, produce quality equal to the best in the world.

Only the fringe of production possibilities has been touched up to the present. The Western Provinces, with their volumes of cheap feed, are the natural home for the Canadian hen. The bulk of the surplus at the present time comes from the provinces of Ontario and Prince Edward Island. Nova Scotia, New Brunswick, and Quebec do not produce sufficient for their own requirements. They must do more, and there is now an opportunity for the Western Provinces of Manitoba, Saskatchewan, and Alberta to demonstrate to Canada and the Empire as a whole what they can do in this connection in this great hour of trade expansion. The first experimental shipments of eggs from Winnipeg to the British market are either now, or soon will be, on their way, and it is hoped that the increase in production in the Western Provinces in the ensuing year will be such as to warrant the opening up of a big trade in this direction.

Eggs are scarce in Canada at the present time. Current prices are high, and a sharp decline immediately following the conclusion of the War is not anticipated. When prices advance gradually, as has been the case in staple food products, they decline slowly. It will take some years to re-establish the normal meat supply upon the markets of the world, and while prices of meat are high, people will continue to use increasingly large quantities of eggs. This condition will naturally be reflected in the matter of price. This is the situation. Readers may draw their own conclusions.

PRICEVILLE

(Special to The Standard.)

Since last writing, death has removed one of our retired business men in the person of Mr. Jas. Brander, who kept a large stock of general merchandise for over a score and a half years. Mr. Brander was about 85 and sold out to Karstedt Bros. two years ago, when old age compelled him to retire. Deceased leaves a wife, who still lives in the village, and three daughters by a former marriage, who live in other parts of Ontario. Interment took place in the fine new cemetery south of the village. Rev. W. N. Bowes conducted the funeral services on Oct. 24.

Robt. Braithwaite and Ray McLean returned from the west a few days ago.

Miss Edith Watson, of Shelburne and two young brothers, Reggie and George, visited with Priceville friends over the week-end a week ago.

The ladies of the local Red Cross have been busy packing boxes and making a shipment to the large number of 27 soldiers, who are relatives of people in this village and vicinity. The Red Cross meetings are well attended each week, when weather permits, some meetings will have 50 in attendance.

The memorial service held last Sunday for the late Goldwin Patterson, who fell at the front, defending Empire and Liberty, was attended by a large number of people. St. Columbia Church, which was kindly given for the occasion, was completely filled, main floor, gallery and chairs in the aisles, but the four ushers, W. G. Watson, P. F. McArthur, E. G. Miller, and Ray McLean, quietly and gracefully seated the large audience without a hitch. Rev. Bowes took charge of the organ and opened the service with Beethoven's Song without words, and the choir rendered appropriate music. Rev. Mr. Berry, a former pastor of the Methodist Church here, preached an impressive sermon, taking his text from 7th Chap. Rev.—"Who are these arrayed in white," etc. Reverands Matheson, and Bowes, also spoke concerning the life and work of "Goldie Patterson, as we all were in the habit of calling him. The four ushers took up the offering and the plates were heavily laden with silver coin and also paper money, which as previously announced, all went to the local Red Cross to be distributed as the Society deemed best. In closing the service, the organist played the Dead March in Saul, then the congregation arose to their feet and sang the National Anthem. This service will be long remembered in Priceville and vicinity.

ELM GROVE.

(Special to The Standard.)

We are glad to report Mrs. Wes. Bradey is getting along fine and will soon be home again.

Miss Hannah Bary went to Toronto on Saturday last.

We are sorry to say that Mrs. Thos. Moran, sr., is very ill at present.

Mrs. Frank Ryan and her three children, are home from Regina, to spend the winter with the former's mother, Mrs. John Barry.

TRAVERSTON

(Special to The Standard.)

Indian Summer one week, wintry weather the next, such in November.

Mr. and Mrs. McFadden, North of Markdale, were guests at Councillor Peart's the first of the week.

Miss Mildred Webber returned to her home at Hutton Hill on Saturday, after a fortnight's visit at the Davis homestead.

We are pleased to report Mr. A. J. Robson as a good deal better in health the past week.

Miss Jennie Cook is spending a week with her sister, Mrs. W. J. McFadden, at Wilder's Lake.

During the past few weeks cattle hogs and sheep have been purchased quite freely, the farmer's are not wishing to carry any extra stock, owing to the shortage of roots and straw and the high price of grain.

Mrs. M. Meagher's sale on Tuesday of last week was a fine success. Owing to the high esteem in which the family are held, a big crowd was present, and bidding was brisk, good prices being realized. On the following Thursday evening, nearly fifty neighbors gathered, and after the company was called to order, Mr. Alf. O'Neil read a very complimentary address, while Misses Aggie McRae and M. Anderson presented Mrs. Meagher with a well-filled purse. Mr. P. Fogarty made a feeling reply in his sister's behalf. The family are leaving this week, for Durham, where Mrs. Meagher and the younger members of the family will reside for a time, while John and James leave soon for Ohio, where good wages await them. The neighborhood regrets the removal of this highly esteemed and obliging family, but wishes them every success in their new sphere of life.

Though the weather was anything but fine on Thursday of last week, yet over a score maids and matrons gathered at the home of Mrs. J. J. Peart at the Women's Institute monthly meeting. One of the chief items of interest was the sending of Xmas. boxes to fourteen soldier boys now overseas. Mrs. Peart served a dainty lunch at the close of the meeting. The boxes are to be filled on Wednesday of this week at the home of the Pres., Mrs. W. J. Cook.

The "Hard Time" Social held in the Township Hall on Tuesday evening of last week under the auspices of the Women's Institute, was a great success. If the old adage—"Laugh and grow fat," holds good, then, the big crowd which filled the hall may expect to increase their avoirdupois by fifty per cent. Such costuming never was seen 'On the Earth beneath." Mrs. Mark Wilson, of Flesherton, won the prize among the fair sex and Basil Davis scored highest above the men and youths. Messrs. M. Kenny and John O. Greenwood gained a big pile of pennies in fines from the ladies, while mesdames Hugh Firth and W. J. Greenwood didn't miss a collar button. The program was of a high class order, the music, songs, recitations and dialogues won warmest applause and most complimentary remarks. Miss Mary Peart, Secretary, had a busy time and took a heavy part all through. The fines and door receipts amounted to nearly $35. A big supper was given at the close of the program and one of the most laughable and entertaining gatherings we've ever attended will long linger in the memories of those present and to add to the enjoyment, an Indian Summer's softness filled the air and a full moon flooded earth with a June radiancy.

TEMPLE HILL

(Special to The Standard.)

Mr. George Yeadell has returned home after spending the summer in the west.

Miss Hazel Park, of Heathcote, spent a few days last week with Mrs. Gordon Erskine.

It is again our sad duty to report the death of one of our pioneers, Mrs. James Breadner, who died recently in Calgary. The remains were brought east for interment and the funeral services were conducted in Temple Hill church on Friday last. Miss L. Breadner, daughter of the deceased accompanied the remains. The farm now owned by her son, Mr. R. Breadner, is the old home and Mrs. Breadner is well remembered by the older settlers. The sympathy of the community is extended to the remaining members of the family.

Mrs. E. Sparling is at present visiting her daughter, Mrs. J. Gilbert, of Toronto.

Mr. John Manarey, sr., delivered a fine lot of fat cattle at the market in Markdale on Monday last.

GIVE "SYRUP OF FIGS" TO CONSTIPATED CHILD

Delicious "Fruit Laxative" can't harm tender little Stomach, liver and bowels.

Look at the tongue, mother! If coated, your little one's stomach, liver and bowels need cleansing at once. When peevish, cross, listless, doesn't sleep, eat or act naturally, or is feverish, stomach sour, breath bad; has sore throat, diarrhoea, full of cold, give a teaspoonful of "California Syrup of Figs," and in a few hours all the foul, constipated waste, undigested food and sour bile gently moves out of its little bowels without griping, and you have a well, playful child again. Ask your druggist for a 50-cent bottle of California Syrup of Figs," which contains full directions for babies, children of all ages and for grown-ups.

Wanted—At Findlay's store, all kinds of dressed fowl, for which highest prices will be paid, Thursday and Friday of every week.

The A.Y.P.A. had a very successful social evening in the Orange Hall last Thursday. The next meeting will be held at the home of Mr. and Mrs. John Dixon, townline Thursday, Nov. 23rd.

Miss M. Halbert, of Markdale, was the guest of Miss Irene Shepherdson recently.

Captain John Clark McCullough M.B., A.M.C. C.E.F., came up from Toronto Saturday to spend a short time with his parents and other friends, prior to leaving for England.

Rev. W. Jones is in London, Ont., this week.

Quite an unusual stir was caused in our village last Friday, similar to Xmas. shopping, when Findlay's store took in 2300 lbs. of fowl, which was loaded up and taken to Owen Sound on Saturday morning. The load consisted of all kinds dressed, for which they payed good prices.

The Patriotic League held their regular meeting last Thursday. A bale was packed for the soldiers containing 29 prs. socks and 11 night shirts. Next meeting to be held at the home of Mrs. T. Barker on Dec. 9th, 1916. Names of the contributors towards the bale are as follows:—Socks—Mrs. Ptolemy 2, Mrs. Shepherdson 1, Mrs. Anderson 1, Women's Auxiliary Beaverdale 12, Mrs. J. The children and grand children of Mr. and Mrs. Patrick Cranney, of Bognor, took them by surprise Monday Nov. 6th, it being the 50th Anniversary of their wedding day and presented them with two handsome chairs and each a purse of gold. Refreshments were served by the visitors, after having spent a most delightful evening and presenting the aged couple with the following address, the company departed for their homes.

Bognor, Oct., 30th, 1916.

Dear Father and Mother,—

We the members of your family, have gathered to-night at your home to show our appreciation and love for you on this, the anniversary of your Golden Wedding day. Fifty years ago to-day you started out in life in a country far different from what it is at present, but you have endured and overcome hardships of which we know nothing about and by your thrift and energy made us a home and cared for us until we were able to do for ourselves.

During these fifty years of married life you have enjoyed good health and prosperity and although most of us are away from our old home working out our own destinies in life, yet our family circle remains unbroken. We are always pleased to come home and are always received with a smiling countenance and a glad and welcome hand.

You have been kind and loving parents to us all, and words cannot express our thanks and appreciation of the same. As a slight token of our love and gratitude we ask you to accept these chairs and the purses. We hope you both may be long spared to enjoy life and happiness. Signed by—Your Family.

Just one application doubles the beauty of your hair, besides it immediately dissolves every particle of dandruff. You can not have heavy, healthy hair if you have dandruff. This destructive scurf robs the hair of its lustre, its strength and its very life, and if not overcome it produces a feverishness and itching of the scalp, the hair roots famish, loosen and die, then the hair falls out fast. Surely get a 25-cent bottle of Knowlton's Danderine from any druggist or store and just try it.
