Thanks, old man, for telling me about Dr. Chase's Nerve Food

It has given me back my old time vigor and made me strong and well

This is the way people feel about Dr. Chase's Nerve Food. It arouses the enthusiasm of those who use it because of its remarkable restorative and up-building influence.

It lifts them out of the tired, nervous and helpless condition resulting from exhausted nerves, restores health and vigor and makes life worth living.

Sleeplessness, irritability, nervous headache, indigestion, and all the warning symptoms of nervous collapse disappear when this great food cure is used to nourish the nerve cells back to health.

Nervous Collapse

Mr. Victor Higgs, Windham Hill, Cumberland Co., N.S., writes:

"My case was a peculiar one. It was one of these strange nervous diseases which are so difficult to describe. The doctor said that my nervous system was all run down. I experienced that uncertainty in walking which indicates the approach of paralysis and locomotor ataxia, and I now realize that I am greatly indebted to Dr. Chase's Nerve Food for the great good it has done me.

"I could not work, read or write, or do anything requiring energy or the concentration of mind. Before using Dr. Chase's Nerve Food I could not get an hour's sleep all night. My brain and nerves seemed to be all unsettled. I sleep well now, and believe that my nervous system has been fully built up by this splendid medicine."

Sciatic Rheumatism

Mr. W. J. Talbot, Edenwold, Sask., writes:

"It is a great pleasure for me to recommend Dr. Chase's Nerve Food as a cure for sciatic rheumatism. The pain I have suffered from sciatica has been well, high unbearable. It would start in the hips and run down the legs to the toes, gradually getting worse. The nerves contract until one is practically useless. My doctor tried many different treatments, but could only afford relief for a time.

"For about five years I was subject to this trouble, with severe attacks which would last about two weeks. The last attack I had was shortened to two weeks by the use of Dr. Chase's Nerve Food and Dr. Chase's Kidney-Liver Pills used in conjunction with it. This treatment was continued until I was satisfied that the cure was lasting."

This statement is endorsed by Mr. H. E. Wooley, J.P.

It rests entirely with you as to whether you benefit by these experiences of others. If you could talk with persons who have used this treatment and note their enthusiasm you would not be long in putting it to the test in your own case.

GIVE "SYRUP OF FIGS" TO CONSTIPATED CHILD

Delicious "Fruit Laxative" can't harm tender little stomach, liver and bowels.

Look at the tongue, mother! If coated, your little one's stomach, liver and bowels need cleansing at once. When peevish, cross, listless, doesn't sleep, eat or act naturally, or is feverish, stomach sour, breath bad, has sore throat, diarrhoea, full of cold, give a teaspoonful of "California Syrup of Figs" and in a few hours all the foul, constipated waste, undigested food and sour bile gently moves out of its little bowels without griping, and you have a well, playful child again. Ask your druggist for a 50-cent bottle of "California Syrup of Figs," which contains full directions for babies, children of all ages and
