

SUDDEN DEATH

Caused by Disease of the Kidneys.

The close connection which exists between the heart and the kidneys is well known now-a-days. As soon as kidneys are diseased, arterial tension is increased and the heart functions are attacked. When the kidneys no longer pour forth waste, uremic poison occurs and the person dies, and the cause is often given as heart disease, or disease of brain or lungs.

It is a good insurance against such a risk to send 10 cents for a large trial package of "Anuric" — the latest discovery of Dr. Pierce. Also send a sample of your water. This will be examined without charge by expert chemists at Dr. Pierce's Invalid Hotel, Buffalo, N. Y. When you suffer from backache, frequent or scanty urination, rheumatic pains here or there, or that constant tired, worn-out feeling, it's time to write Dr. Pierce, describe your symptoms and get his medical opinion without charge — absolutely free. This "Anuric" of Doctor Pierce's is found to be 5 times more active than uric acid in the system as hot water does sugar.

Simply send for Dr. Pierce's Anuric Tablets. There can be no imitation. Every package of "Anuric" is sure to be Dr. Pierce's. You will find this picture on the package just as you do on Dr. Pierce's Golden Medical Discovery for blood and stomach.

WORRY, DESPONDENCY.

Raking Disease is suspected by medical men when patients complain of lack-luster and sorer with irregular intervals, turned too frequent scanty or painless urinations. These general symptoms are rheumatic pains or neuralgic headaches, vertigo, dizziness, insomnia, worry, a constant cause and symptom of kidney disease. Thousands have obtained immediate relief from Anuric Tablets.

GORING

(Special to The Standard.) Messrs. H. Parker, A. Parker, and W. S. Wood attended the funeral of their little niece in Owen Sound last week.

We have noted invariably that war brings inventions, improved in farming, etc. One of our farmers has already begun a new plan. He was seen plowing with a lantern at eight o'clock one night. Likely the rest of the farmers will follow his example and although there is a scarcity of labourers, the harvest will be plentiful.

A large number from Goring attended the venison supper at Walters Falls last week. All report a good time.

If you want a good time you will be at the concert in the school house on the 15th.

The Ladies' Aid of Ebenezer met at Mr. Jos. Shepherdson's last week. A very sociable time was spent.

The Epworth League met as usual on Friday night.

Mrs. Harry Wyvill visited Mrs. Arch. Kirkpatrick this week.

Mrs. D. McLean left Delta, returned home after a three months visit in the west.

Mrs. Wm. Shepherdson and Mr. Ferris have returned from the west.

Some of the boys and girls who have made a success of life were at one time country correspondents for newspapers. There are few better ways in which a person can help his or her education, and at the same time their own community by corresponding for a home paper.

TRAVERTON

(Special to The Standard.)

Some were working in the woods others removing the contents of the barnyard; but a goodly number of our farmers were busy pushing the plow along the last days of the week.

Messrs. Jos. McGrane and John Hiltz, of Osprey, arrived in our midst on Thursday of last week.

Mrs. Bert Summers and baby Edwin have been spending the past fortnight at the parental home of the former, Mr. John McNally; but leaves this week for Bruce, Alberta, where her husband has been appointed station agent.

The young folk of Zion are making special efforts to have a fine program for their Christmas Tree Concert on Friday evening, Dec. 22nd.

Mr. and Mrs. Albert McNally have had a very anxious week as their only boy was seriously ill, having to undergo an operation, but is now on the road to recovery.

Mr. Rob. Murdoch was out this way last week, on the lookout for a farm to purchase, as he wishes to be in reach of Markdale's widely patronized stock market.

There's genial pleasure personality and whole-hearted frankness about Reeve Thos. Nichol of Glenelg, that wins him many friends. The downpour on Wednesday evening of last week gave us the pleasure of his company over night and we chatted past the midnight hour.

From Dornoch to Erieville, despite the steady rainfall, gathered big crowds to Mr. John McNally's sale on Wednesday of last week.

His son Stewart is taking possession of the farm and most of the implements, so it was mostly a stock sale and, certainly the animals were in prime condition and sold well. Auctioneer McPhail has few equals.
