

"HAD ALMOST GIVEN UP."

Barnia, Ont.—"About 27 years ago I was taken very bad, my blood, too, was in bad shape. I got so I had to go to bed and I was there for over three months. I could not eat and suffered untold agony. I had three of the best doctors I could get but it just seemed nothing was going to help me. I had almost given up, thought I would never be any better and was willing to give up and die rather than suffer as I was. A neighbor of mine told me of Dr. Pierce's wonderful remedies and I decided to use them. My husband bought me six bottles of 'Favorite Prescription.' I had not taken it long until I felt better. In less than six weeks I was out of bed, and in less than six months I was cured and had been well ever since. Do all my own work. I have raised three daughters, two are married and have children. They have used it and they are healthy, so are their children. I am sure it was all on account of my having them use the medicine. "I keep all of Dr. Pierce's medicines in the house. Have 'Favorite Prescription' (Golden Medical Discovery) and 'Smart-Weed'—anything prepared by Dr. Pierce is good. I also have a copy of the People's Common Sense Medical Adviser, which I have had 25 years; it has been very valuable to me."—Miss J. Way, 232 Ontario St., Barnia, Ont.

If you are a sufferer if your daughter, mother, sister need help, get Dr. Pierce's Favorite Prescription in liquid or tablet form from any medicine dealer to-day. Then address Dr. Pierce, Invalids' Hotel, Buffalo, N. Y., and get confidential medical advice entirely free.

A most valuable book in any home is Dr. Pierce's Common Sense Medical Adviser. A splendid 1008-page volume, with engravings and colored plates. A copy will be sent to anyone sending fifty cents in stamps, to pay the cost of wrapping and mailing, only, to Dr. Pierce, Buffalo, N. Y.

Dr. Pierce's Pleasant Pellets are the original little liver pills, first put up nearly 50 years ago.

WODEHOUSE

(Too late for Last Week)

Wedding bells.

A quiet wedding took place on Wednesday evening of last week at the parsonage in Lockton, when Miss Ella Vera Linktree, eldest daughter of Mr. Joseph Linktree formerly of Wodehouse, was united in the holy bonds of matrimony with Mr. James Wilby, son of Mr. Wm. Wilby of this place. The Rev. W. W. Lane officiated and tied the nuptial knot at 5 o'clock. After spending a short time pleasantly with the bride and groom, the young couple returned to the home of the bride's uncle and aunt, Mr. and Mrs. Ed. Wilby, where an appetizing supper was partaken of. The evening was spent in music and games until about midnight, when Mr. and Mrs. Wilby returned to their cozy home overlooking the thriving village of Wodehouse. The bride looked her best in a gown of blue poplin silk, with white trimmings and blue velvet hat to match. We join their numerous friends and relatives in wishing the young couple a happy and prosperous journey through life.

The New England Women's Institute held a social in the church on Thursday evening last, at which a good deal of good was enjoyed. A general fund raising program, which was carried out in a very good program of music, etc., followed, after which some initial work was commenced in aid of the Red Cross, which promises to be a benefit to that worthy cause.

Miss Cora St. John, of Dundell, spent the last week at the home of her uncle and aunt, Mr. and Mrs. T. L. Fawcett.

The Eiworth League held a social on Wednesday evening of last week, which took the form of a Railway Trip, which was very much enjoyed by the good sized crowd present. We think some of the young folks must have got off at the wrong stations, as they required the assistance of pilots to get to their homes. A small fee was charged at the social, which was quite satisfactory.

Mr. and Mrs. A. E. Fawcett, of Maple Creek, Sask., who are on an extended visit among relatives and friends in this district, called on the former's brother, called on Sunday last.

The young people of this neighborhood took Mr. and Mrs. James Wilby, Jr., by surprise on Friday evening last, and presented them with a miscellaneous shower of very useful articles to a young couple commencing the art of housekeeping. The visitors were well received and spent a pleasant evening in music and games until after midnight, when all retired to their different homes, wondering whose turn would come next.

We wish the Editor and staff of The Standard and its numerous readers, a Merry Xmas and a Happy New Year.

Mr. Stanley Wilby, of Acton, is home for the Xmas holidays.
