BEAVERDALE

The concert given by the pupils of Beaverdale School on Friday evening last, was an entire success. The weather conditions both of the day and evening were all that could have been desired, and the roads were just in proper order for a jolly sleigh-ride, each family in the section was well represented. The school-room was tastefully decorated with cedar Christmas bells and banners and the good old Union Jacks.

Rev. Mr. Mc Kay of Wiltshire Falls, Mr. Foy of Temple Hill, accompanied by Miss Clarke gave several splendid violin selections, which received the hearty applause of the whole audience. Otherwise, the program, which consisted of recitations, dialogues and songs, was given by the pupils of the school and each number showed careful preparation. Part of the numbers were for Xmas. and part were of a patriotic nature, which also seemed very fitting at this time. The programme was closed by hearty singing of "God Save our Soldier Boys" and "God Save the King". Quite a number from around here attended Mr. John Murray's sale last Wednesday, which was a good success.

Mr. R. Miller was over to Mrs. Johnston's, of Markdale, for a few days attending to the latter who had a severe attack of rheumatism. We are glad to hear he is on the mend.

and will be glad to furnish anyone with any particulars that would aid in recruiting.

The training of recruits started practically from the first day of organization with a small squad of only about eight men, which has now grown to more than platoon strength. The boys made a very favourable impression in Owen Sound last Saturday, when they went on their first route march, parading around the town.

In keeping with the spirit of hustle which has marked the work of this Battalion from the beginning, uniforms were secured from the authorities in three days and now the men are being outfitted as they are enlisted.

Recruiting Offices have been opened as follows with the Officers in charge:

Meaford—Lieut. Harold Shaw.  
Dundalk—Lieut. W. J. A. Wright.  
Chatsworth—Lieut. E. A. McAllister and R. E. Legarde.  
Shallow Lake—Lieut. T. M. Thompson.

Markdale—Lieut. M. E. F. Kelley.  
Thornbury—Capt. N. K. McKechnie.

The Battalion is organizing a hockey team. Half a team is already in the Battalion, and several well-known players are expected to join in a few days.
