Take One Tonight

-If you feel bilious, "headachy" and irritable for that's a sign your liver is out of order. Your food is not digesting—it stays in the stomach a sour, fermented mass, poisoning the system. Just take a dose of Chamberlain's Stomach and Bowel Tablets—they make the liver do its work—they cleanse and sweeten the stomach and tone the whole digestive system. You'll feel free in the morning. At all drug stores, 25c, or by mail from Chamberlain Medicine Company, Toronto.
