

AN IMPORTANT LETTER FROM NIAGARA FALLS.

Niagara Falls, Ont.—"I was miserable, tired out and dragging around. My legs were so weak I could scarcely support me. My husband had read about 'Favorite Prescription' and he got me to use it. I used four bottles and the results were surprising. I got stronger, was less nervous, my appetite improved and I felt like a new person. It is the best medicine for women I have ever heard of."

There is nothing that will bring comfort and renew hope to the invalid so surely as good news. When the vital forces are at a low ebb and everything seems useless, a ray of joy and assurance will stimulate the weary body to new effort and energy. A letter from a loved one has turned the tide in many a case of sickness.

Doctor Pierce, of the Invalids' Hotel, Buffalo, N. Y., has good news for every suffering woman. Write him to-day and tell him your troubles, and he will send you out the right advice to restore you to health and bring back the roses to your cheeks, and without charge. His "Favorite Prescription" has been the rescue of thousands of suffering women. Many grateful patients have taken Dr. Pierce's advice.

Mothers, if your daughters are weak, lack ambition, are troubled with headache, fainting and are pale and sickly, Doctor Pierce's Favorite Prescription is just what they need to surely bring the bloom of health to their cheeks and make them strong and healthy.

It is not a secret remedy because its ingredients are printed on its wrapper. Sold in either tablet or liquid form.

High Blood Pressure. When your case becomes complicated and medicines fail, the doctor makes a test of the blood pressure, fearing that there may be something wrong with the condition of the kidneys and the action of the heart. He realizes that when the kidneys fail to filter the poisons from the blood that there will be a hardening of the arteries, and when the pressure of blood comes on they will snap like so much deteriorated rubber-tubing—the result is a clot of blood on the brain, hemorrhage in the heart, or wherever the weak point may be. But why allow this condition to be reached when you can so readily regulate the action of the kidneys by using Dr. Chase's Kidney-Liver Pills. Troubles of this nature begin when from over-exercise, the liver throws an undue burden. Headaches, biliousness, indigestion give the warning timely use of Dr. Chase's Pills there need be no further trouble. The liver is awakened, bowels regulated, and the poisons are purged from the system. The result is a healthy, active, and contented body. One pill a dose, 15 cents. Dealers, or Edman, 150 Bloor St. W., Toronto. Do not be talked into imitations of this valuable medicine.
