McNally-Gibson

A very pretty wedding took place at high noon Wednesday, December 27th, at the home of the bride's parents, Mr. and Mrs. Joseph Gibson, O'Connor township, formerly of Markdale, when their fourth daughter, Ina Lillian, became the bride of Mr. Norman Ashley McNally, elder son of Mrs. Frank McNally, of Oliver township. The ceremony was performed in the presence of some thirty friends and relatives by Rev. F. W. Lee, of Grace Church, Fort William, brother-in-law of the bride.

The bride entered the living room leaning on the arm of her father and looked very fair in her gown of ivory charmeuse with trimmings of silver, embroidered lace and seed pearls, and charmingly arranged bridal veil caught with orange blossoms. She carried a bouquet of white roses, valley lilies and maiden hair fern. The bridesmaid, Miss Della Gibson, wore white silk and carried a bouquet of pink roses and lilies caught with pink tulle. The groom was supported by his brother, Mr. Herbert McNally. Immediately after the ceremony a sumptuous wedding dinner was served by four of the bride's girl friends, the tables being tastefully decorated with white roses and centred with the bride's cake. The Rev. Mr. Lee and Mr. Gibson to the guests. Among those present were Mr. and Mrs. William Baxendale, Mr. Arthur Woodside, Miss A. J. McNally, Mr. Leiterman, Mr. and Mrs. F. W. Lee, Mrs. Donald McLennan (sister of the bride), Mrs. Thomas Cooper (sister of the groom), the Misses Mable and Gertrude Woodside, Mr. William McNally and Mr. Harvey McNally. The bride's going away gown was of delft blue velvet with trimmings of fur. After dinner the guests drove to the groom's home where forty friends gathered to tender their congratulations and good wishes to the bridal pair. A

Owen Sound 4 - Markdale 3

On Thursday evening last, January 4th, the Markdale section of Group 12 O.H.A. Intermediate Hockey Association, ran a special train from Markdale to Owen Sound, calling at intervening points, to play the first game on the schedule, between Markdale and Owen Sound. The train left Markdale at 6.30 and arrived at its destination in an hour.

The game was started immediately on arrival, and during the first period three goals were scored for Markdale. In the second period each team held their own, and this was a very exciting and interesting part. Owing to the soft ice, and having had little practice, the visiting team was very tired at the end of the second period, and in the last time they showed on the ice, Owen Sound scored four goals, making the score 4-3, in favor of the home team.

On the whole, this was the best hockey match ever played by these teams, and much credit is bestowed upon them in the orderly and manly game each and all played.

The Ontario Hockey Association is proving to be quite a success, and much enthusiasm is given to the same all over the Province.

After the game the special train left for home, and everyone who left Markdale came home that night very much delighted and satisfied with their evening's outing with the hockey club.

The fact that one of the favorite train crews on this line, of which "Scottie Morrison" is in charge, conveyed the company, added much to the evening's enjoyment.

Nervous Headache

Pain is a blessing in disguise. It is Nature's danger signal to warn you that there is something wrong in the system.

While headache may result from a variety of causes, it most frequently denotes a starved condition of the nerves.

The brain is the headquarters or "central" of the nervous system. Here nerve force is consumed at an enormous rate. If there is any lack of rich red blood from which to form new nervous energy the brain is first affected and the head aches.

Headaches may be stopped by powerful drugs, but that is like breaking the steam where which warns the engineer of danger.

The only wise way is to increase the amount of rich, red blood in the human body by using Dr. Chase's Nerve Food, and thereby feed the starved nerves back to health and vigor.

Not only will the headaches disappear, but you will sleep well, feel well and gradually regain strength and confidence. The Nerve Food will sharpen the appetite, improve digestion and build up the whole system.

In this way the headache will prove a blessing. It has warned you of approaching nervous collapse while yet there is a foundation on which to build good health.

Dr. Chase's Nerve Food, 50 cents a box, 6 for \$2.50, all dealers or Edmanson Bates & Co., Limited, Toronto.

Do not be talked into accepting a substitute. Imitations disappoint.

Good-bye, Mother, Don't Worry!

Good-bye—trusting in God to bring him home to her safely—if that be His will.

Good-bye—trusting in you and me to see his Mother through while he, her natural support and defender, is somewhere in France, facing shot and shell for God, for right, and for native land.

In the name of Christendom, men and women, what sacrifice is this! What consecration to duty! What response to the call of the Motherland! What clarion challenge to the world to "Watch Canada!"

He goes—joy of his Mother's heart—ideal of all her dreams from the day she bore him—hope and bulwark of her declining years.

He goes—and, Heaven bless his belief in us, his people, he goes, leaving his most beloved possession to our care and protection.

He trusts us. Who will fail him? What man or woman, rich with the possession of the memory of a Mother, will fail his Mother as a reward for her sacrifice?

This trust of our soldiers is a holy legacy.

Give to the Mothers of our soldiers in the name of your mother—as your testimonial to Canadian Motherhood. Give to the Canadian Patriotic Fund. \$6,000,000 must be raised in Ontario for this Fund for 1917.

Mothers, wives, and children of Canadian soldiers shall never say that their own people neglected them after their men went forward to suffer and to die.

Every case helped by the Patriotic Fund is carefully investigated. Only where assistance is really needed is assistance given. Everything humanly possible is done to avoid waste and prevent imposition.

Give as Your Own Heart Prompts You to the Patriotic Fund

Ontario is being asked to assure the Canadian Patriotic Fund that it can depend on having six million dollars in 1917 for the families of Ontario's soldiers. Four million of these dollars must be secured from individual subscriptions. If there is no branch of the Fund in your town or county send your subscription direct to the Head Office, Canadian Patriotic Fund, Victoria street, Ottawa.

TAKES OFF DANDRUFF. HAIR STOPS FALLING.
Save your Hair! Get a 25 cent bottle of Danderine right now—Also stops itching scalp.
Thin, brittle, colorless and scraggy hair is mute evidence of a neglected scalp of dandruff—but awful scurf. There is nothing so destructive to the hair as dandruff. It robs the hair of its lustre, its strength and its very life; eventually producing a feverishness and itching of the scalp, which if not remedied causes the hair roots to shrink, loosen and die—then the hair falls out fast. A little Danderine tonight—now—any time—will surely save your hair.
Get a 25 cent bottle of Knowlton's Danderine from any drug store. You surely can have beautiful hair and lots of it if you will just try a little Danderine. Save your hair! Try it!
