

Boys' First Long Pant Suits

This is not a Youth's or Young Man's size of suit, but it is designed and proportioned on distinctly different lines to meet the requirements of young lads from 14 to 18 years not fully developed; and does away with the "overgrown" appearance and size of the average suit that is usually put on him. Very often they look like "little old men" when they get into their fit suit of long pants, simply because they have not the proper proportions or lines.

Come in with your boy and have him fit on one of these garments. You will see the difference. We are showing a very nobby suit in these models at \$12.00

AT P. J. THOMPSON'S

FLESHERTON

(Special to The Standard.)
Mr. Allie Best, son of Mr. Robt. Best, Toronto, met with a very serious accident in the bush on Friday afternoon last. Struck in the back by a falling stub, he and his brother Ed were cutting down, he was severely injured, he was completely paralyzed from the waist down. His brother was almost struck, but escaped with slight injury. On Saturday morning, accompanied by Dr. Lane and his brother, he was taken to Toronto Hospital, where under X-Ray examination it was found there was a fracture and dislocation of the spinal column, with three ribs broken from the column. After adjustment the patient was eased in plaster of Paris, and everything possible done to relieve his distress, with expectancy for good results. Many friends here sympathize with him in his misfortune, and with his young wife and parents in their anxiety.

The services in the churches on Sunday were appropriate to the Easter season. The sermons were
