AN AGED COUPLE

Tell How They Regained Strength and Vigor

Stowbridge, Ohio.—"My husband is 70 years old and I am 78 years of age and we owe our good health to Vinol, the greatest strength creator and medicine there is. When either one of us get into a weakened, run-down condition, Vinol has never failed to build us up and restore strength. We have often said we would not be living now were it not for Vinol." —MARY A. LEKE.

We guarantee Vinol to create strength for feeble old people.

"NEU-TONE"

An Oil Paint For Flat Interior Decoration

Simple, harmonious color schemes in plain, restful tints, give an added charm to the home. "NEU-TONE" is the modern wall finish. It is cheaper and better than wall paper—and doubly pleasing because of its quiet effects.

"NEU-TONE" is waterproof, sanitary and durable. It cannot scale, fade or rub off—and may be washed with soap and water.

When you get new furniture and want to change the "NEU-TONE" decorations of any room, simply apply a fresh shade of "NEU-TONE" over the one on the wall.

"NEU-TONE" saves the scraping and muss that usually accompanies decorating. "NEU-TONE" is equally good for every room in the house—for any plastered wall, ceiling, burlap, wood or metal surface.

Ask for a copy of "Harmony in Neu-Tone", "Town and Country Homes" also "Floors, Spic and Span". All are free, to you.
