G. A. RUMBLE, E.C.A., Principal, G. D. FROTHINGHAM, Secretary.

To the Council of the Township of Euphrasia.

Gentlemen:—We notice in published report of minutes of Council of April 13th, that you struck out a part of Auditors Report. In the first place we would call your attention to the fact that you have positively no right to alter in any way an Auditors Report.

Your committee, in their report on Auditors Report recommended that the statement attached to that report saying that "there was no account in the Treasurer's books of the Beaver Valley Telephone Debentures" be struck out as same is not correct.

Now what the Auditors Report did say was that "there was no account in the Treasurer's books with the Beaver Valley Municipal Telephone System," and this statement is absolutely correct.

We challenged the Council to show that our statement is not correct.—Yours truly, J. A. Loughheed, S. J. McKnight, Auditors.

Doings of 248th Greys.

Owen Sound, May 31.—Editor Standard and Readers.—If my first letter found the W. P. E. I must try again and hope that my second attempt will be more successful. Roll call and inspection followed by company drill, fifteen minutes intermission and during this time the ice cream man and peanut man does a rushing business. Signal, fall in again; drill for another hour; dismissed at 12 noon. Orders given to return our rubbers at the 2 p.m. parade.

2 p.m.—Most of the afternoon was spent listening to another lecture on First Aid work. Most of the boys have said pretty hard things about their puttees, especially the first few times they had to put them on. But we have all taken it back again since we heard the lecture and have seen how many uses they can be put to in the way of bandages for First Aid work.

Tuesday, May 22nd.—Battalion fell in for roll call and inspection in Banquet room of Town Hall on account of rain. B. company fell out and A. company were given another lecture on First Aid work. These lectures are very interesting, each man having to bandage up the other fellow after the lecturer as demonstrated it to the class. Before dismissing battalion at noon, orders were given for every man to have a receipt for his board, paid up in full to the evening of the 25th. This evidently means a move ere long.

This afternoon Capt. White gave a company a lecture on discipline, as a chain cannot be stronger than its weakest link. So an army is measured by its weakest regiment. Capt. White urged upon every man to grasp as quickly as possible all those essentials which go to make a true and brave soldier. Dismissed at 5 p.m.

248th Grey Battalion Parade in State.

Following is the complete list of officers, non-commissioned officers and men of the 248th Grey Battalion as shown on the parade Friday morning:

Little Boy Had Eczema

On Face and Hands—Local Doctors Treated Him in Vain—How Cure Was Finally Effected.

Trenton, Ont., May 31.—This letter will interest all mothers of young children, because it tells of the best means obtainable of overcoming the annoying and torturing skin troubles which come to so many children.

Mrs. Waldron had several doctors treating her boy for eczema, but all in vain. Finally her husband, Dr. Chase's Ointment, and her letter tells of the wonderful results obtained by the use of this soothing, healing ointment.

Mrs. Samuel Waldron, 406 George street, Trenton, Ont., writes: "About four years ago, my little boy had a rash on his face and hands which the doctors called Eczema. He gave us a wash for it, and some ointment, which we tried all the doctors here. I think we tried Dr. Chase's Ointment, and gave it a good trial. We could see that it was gradually healing. At first it appeared to burn the skin, then this skin would peel up, finally he got rid of it entirely. During the winters of the next two years we noticed a symptom of the disease under the skin. Each time we used more Dr. Chase's Ointment. For the last two years he has not had any return symptoms, all of which we think that he is now entirely cured."

Dr. Chase's Ointment, 60c a box, at all dealers, or Edmanson, Bates & Co., Limited, Toronto.

Now a Strong Man

FOR THE KIDNEYS

He purchased a box, and after taking their for a week found that they gave him some relief. He then purchased three more boxes, which were the means of entirely relieving him. He is now a strong man, and able to do his daily work. For his relief, he writes to Geo. F. Williams, National Drug & Chemical Co., Canada, Ltd., Toronto, Ont.

life gave him the peace of mind which can say, "My Will be Done."

memorial service was held at New England, on Sunday afternoon, May 27th, when the church was crowded with friends from far and near. The Organists and Foresters were present in a body, deceased being a member of both societies. Rev. Lane delivered an appropriate and fitting address, charging his fellow men to live up to the ideals of the Orange Order.

The heartfelt sympathy of their many friends, put out to the bereaved one especially, to his heart-broken young wife, who was formerly Miss Clara Buskirk, the eldest daughter of John Buskirk, Woodhouse, and to whom he was most happily wedded just five years ago last November. They settled on their farm here known as the "Shaw farm" and a year ago last spring they rented the farm to the present occupant Mr. R. Fawcett, and he went west, where he spent the summer and Mrs. Wiley remained at her old home here. This spring she was engaged with a Mr. Norman, a brother-in-law of Mr. Alton, formerly of Markdale and went on with a future picture before her, while none but the young and vigorous enjoy. But alas! he was laid down and the little home in which they were about to settle, was his last home on this earth. Thus in the Mist of Life, We are in Death.

BLUMENTHAL'S

THE LATE WILLIAM T. WILEY.

The passing of William T. Wiley, has caused a feeling of deep regret throughout the whole community. The news of his death came as a shock to everyone within his circle of acquaintance. For only four weeks from that day he left Markdale Station accompanied by his wife and little daughter, Hazel. Toilsome life with la-grippe was prevalent among people when they arrived at their destination and they all had it after being there a little over two weeks. Will had it with the rest, but kept about and it is thought, he caught cold. He became considerably worse and the doctor was called, who on his arrival pronounced it diphtheria, which was then deeply seated. Despite all that kind and loving hands could do, and the attendance of a trained nurse, none could stay the hand of death. He gradually sank and at midnight, May 2nd, the ninth day, he passed peacefully away, at the early age of 31 years, 4 months.

The remains were interred in the little cemetery at Hawarden, a short distance from Strongfield. Two pretty floral tributes were sent to be laid on the casket, one from the Sunshine Club at Strongfield and one from a sympathizing neighbor, as expression of sympathy in the exceedingly sad hour.

Deceased was the second oldest son of Mr. and Mrs. William Wiley, of Woodhouse. His death is the first break of a grown up family of four sons and four daughters, all of whom reside in this part, except the eldest son Sam who resides in Wainright, Alberta. Will was a general favorite, being of an exceptionally cheery disposition who enjoyed life and the very best of health. He was an affectionate son and brother and a most devoted husband. He was born, lived and grew to manhood with his parents here. He was one of New England's many Sunday School scholars, from early childhood and at his death a valued member and supporter of the same church. He was a deep thinker, of clean character and habits and had founded his life on the "Rock of Ages" which in his

life gave him the peace of mind which can say, "My Will be Done."

memorial service was held at New England, on Sunday afternoon, May 27th, when the church was crowded with friends from far and near. The Organists and Foresters were present in a body, deceased being a member of both societies. Rev.
