

ITALIANS SMASH AUSTRIAN LINES MORE THAN 9,000 PRISONERS TAKEN

Many Important Heights and Several Villages Taken to Mark 2nd Anniversary of Italy's Entry Into the War.

A despatch from London says: On a front of nearly ten miles on the Caronza plateau the Austrians, who had completely by surprise the sudden onslaught of the Italians, who had smashed the Austrian line hard, and of the Isonzo line had struck a hard blow to the north. When, however, the Austrians recovered from their surprise, they launched heavy counter-attacks, but the Italians tenaciously held the ground they had won.

The new advances of the Italians brings them appreciably nearer Trieste, which, from the lower part of the line, is less than ten miles away. The ground traversed and yet to be passed over is difficult for military operations, and even with other successful advances, such as the last one, the objective of the Italian will not be attained except by fighting of a most ferocious nature.

TURKEY SWEPT BY FAMINE

100,000 Desertions From the Ottoman Army Already Reported.

A despatch from New York says: A new despatch from Paris published here on Friday, says that Turkey is swept by a famine and pestilence, her people are panic-stricken and her morale is shattered, according to information received here on Friday via Rome. One hundred thousand desertions from the army are reported.

Realizing the loss of all Turkey's fighting power, 8,000 Austrian troops have recently been sent to Palestine to attempt halting the army in front of the British expeditionary force. Four thousand German troops are said to be moving to the Government buildings, factories and bridges in Constantinople, while hundreds in the city are dying each day.

There is a sweeping view of the whole country, the report declares.

The deserters from the Turkish army, 100,000 strong, are said to have fled into the Anatolian mountains, and to be existing through brigandage.

EASTERN COUNTIES RAIDED BY ZEPPELINS

A despatch from London says: Four of five German airships raided the eastern counties of England Wednesday night, according to an official statement issued this morning. The airships dropped bombs and escaped, although pursued.

The official statement reads: "Four or five hostile airships approached East Anglia shortly before midnight last night. The weather was overcast, and a thick bank of rain clouds made observation difficult. "Four airships appeared to have penetrated inland into the eastern counties. They followed erratic courses, and dropped a number of bombs in country districts, apparently being unable to locate their position. The raiders were pursued by our airplanes, but clouds enabled them to make good their escape. One man was killed in a Norfolk village. The material damage is believed to be negligible."

U. S. WILL NOT SANCTION PEACE MOVEMENT

Denies Passports to Delegates To The Stockholm Conference.

A despatch from Washington says: Embarrassed disapproval of the peace propaganda of European Socialists was expressed on Wednesday by the American Government, which denied passports to American delegates to the Stockholm conference and issued a warning that any American taking part in the negotiations would be legally liable to heavy punishment.

No formal announcement of purpose was issued, but officials explained that the Government's course would have the two-fold effect of moving generally any peace moves by unauthorized persons, and of condemning in particular the present Socialist agitation, regarded since its inception as inspired by Germany.

ENEMY REPULSED ON THE ISONZO

More Important Positions Are Captured and Defences of Trieste Menaced.

A despatch from London says: From Plava, on the Isonzo, to the Adriatic Sea, the Italians and Austrians are fighting bitterly, and troops of General Cadorna are making steady progress, especially on the southern end of the 21-mile front.

North and south of Jamiano, eight miles south of Gorizia, the Italians have driven the Austrians back and taken additional important positions. The gains here are a direct menace to the defences of Trieste. The fighting is made harder because of the hilly country. Despite the difficulties of terrain and the stubbornness of the enemy resistance, however, Cadorna's men have taken two strongly fortified hills north of Jamiano and reached the outskirts of Verso.

The Austrians have attempted to check the Italian advance on the Southern Carso by making violent counter-attacks south and east of Gorizia and along the Vodice sector. All points of attack the Austrians were driven back with heavy losses, and east of Hill 652, on the Vodice, the Italians captured the position from which the Austrians emerged to attack. The number of prisoners taken by General Cadorna's command since Wednesday morning has increased to 10,215, including more than 300 officers.

HEAVY LOSSES SUFFERED BY FOE

Attack French Salient to the North of the Ladies' Walk

A despatch from Paris says: North of the Chemin-des-Dames, in the region of Pantheon, the Germans in heavy attacks succeeded in entering French first-line trenches, according to the French official communication issued Friday evening. Immediate counter-attacks by the French, however, drove the forces of the German Crown Prince from most of the captured elements.

General Petain's forces have occupied most of the Chevreux wood east of Craonne, after inflicting heavy losses on the Germans and taking 30 prisoners. Two German battalions were almost annihilated by the French.

BRAZIL TO POLICE SOUTH ATLANTIC.

A despatch from Rio Janeiro says: According to The Journal do Commercio, it was decided at a meeting of the Parliamentary and Diplomatic Commissions, called Thursday by the Foreign Minister, to adopt the principle of revocation of Brazil's neutrality in the war between the United States and Germany, and to police the South Atlantic with the Brazilian fleet.
