A wide circle of acquaintances were shocked to learn of the untimely death of Mr. Sam Baines on Friday morning last, after a brief illness. Dr. Middlebro, of Owen Sound, with local practitioners were summoned on Tuesday, but refused to operate as the disease—appendicitis—had gone too far, and they held out no hope for the patient.

The deceased was the second eldest son of Mr. John R. Baines, of Owen Sound, formerly of the townline Glenelg and Holland. He has ever been a man of fine physical appearance, active, supple, strong, and progressive, at his death owning 400 acres of land.

For a number of years he has been a drover as well as farmer, and being a keen judge of live stock, added quite a little to his financial standing. About twenty-one years ago he wedded Miss Annie Henderson and the union was blessed with five active sons and two bright daughters.

The funeral took place on Sunday afternoon to Markdale cemetery, Rev. Mr. Ashton, of Mulock Baptist Church, conducting service in the home and at the grave. The sympathy of the vicinity goes out to his grief-stricken partner and the sorrowing members of the family.

Mrs. Baines, elder brother, formerly principal of Winton High School, and other members of the family were present at the funeral.

Gananogue, Ont., June 14.—The many friends of Rev. George Alton are pleased to learn of his recovery after a long period of ill-health and severe headaches. He tells the particulars of his case in this interesting letter:

I had tried many cures, herbs, pills, and salts, and was but instead of getting better I seemed to get weaker. I was unable to fulfill my appointments on Sabbath and had to secure help. Points to Consider When Purchasing a Railway Ticket. A Canadian Pacific Railway ticket does not represent a means of transportation between given points. It, in addition, provides the traveller with every comfort and convenience developed by modern railway science. "Safety First" with up-to-date equipment, unexcelled dining service, palatial sleeping cars, in a word, everything that a railway can provide for the comfortable transportation of its passengers, including continued taking them for some time, and now I am able to resume my work again. From the benefit I have obtained from these pills, I would recommend them to all who suffer as I did."

Rev. C. Cunningham, 124 First Avenue, Toronto: "This is to certify that I am personally acquainted with Rev. George Alton of Gananogue, and believe his statement with reference to Dr. Chase's Kidney-Liver Pills to be true and correct."
