Interview With the Deput · Minister of Highways With Regard to the Provincial Highway Ssheme.

(Free Press Shelburne.) In connection with the prope

Provincial Highway scheme of Ontario Legislature to build a government road from Windsor or Sarnia to the Province of Quebec after the conclusion of the war, and the see tions in connection with the said ac passed at the last session of the Legislature, giving municipilaties the right to petition to have leading roads built to interest the proposed provincial highway, a representative delegation from Grey, part of Simco and Dufferin met W. A. McLea Deputy Minister of Highways, at t what you ladies have done for we parliament buildings, in Toronto Wednesday of last week. The pr posed roads, in which these countie over here, but we are always looking are interested, are as follows: -- Star ing at Port Credit, following the Cenforward to getting word from home. tre Road through Brampton to Orangeville, then via the Prince of watched for. "It does take letters and parcels so long to come that they are Wales Road to Primpose and west to Shelburne, and passing through Dundalk, Flesherton, Markdale, Willoccasionaly we get letters and parcels that come in about fifteen days. I iamsford, and Chastworth to Owen Sound, by the Toronto and Sydenham Road. The other branch startget one for three weeks or a month ing at Shelburne cemetery, through Hornings Mills, Redickville, Maple and then they will come in a bunch. The boys are all in good health out | Valley and Singhampton, thence east here now. The crops are all looking four miles, striking the Centre Road fine. The farmers are cutting their or Hurontario street at the greenbush hay and the new potatoes will soon corner, then north through Duntroon and Nottawa village to Collingwood.

all day route march, and right after | C. R. McKeown, M.P.P. for Dundrin. dinner rain came on and heavy too. Representatives were present from and we got a nice shower bath, but Brampton and adjacent municipalilittle things like that do not bother ties, Orangeville, Shelburne, Amarus now. I have been expecting to go anth, Dundalk, Flesherton, Proton, to France for quite a while now, but Artemesia and other municipalities to it seems impossible for the N. C. O's and including Owen Sound, and from to get away. Well I must close, Nottawasaga and Collingwood on the thanking you all again for the parcel. other branch. The Minister did not give any definite promise, as it would be some time before anything could J. C. Craven, 828493. Corp. be done C. R. Wheelock of Orangeville, who has been untiring in his efforts to further this project, was one of the speakers from Orangeville. The other representatives from that town were d. R. McKeown and J. J. White. The delegates from Shelburne were L. C. A. Strothers, Warden Falconer, John W. Hamilton. Chas. Mason, Dr. C. L. Morgan, Harry White, David Henderson and John Mowat. Edgar Jamieson, reeve of ford and some of the other boys from Nottawasaga, was on the deputation from that township and Wm. Williams, B.A., deputy-reeve of Collingwood, was also present. Warden Goodfellow, reeve of Proton, was present, as was also Ed. Colgan, reeve of Dundalk. We did not get a list of the other representatives. A monster delegation had been arranged for but the Minister requested that the delegation be limited to as small a number as possible. As this delegation was the first in line it is to be hoped that it will produce good re-
