Now for two weeks dry weather, in which to garner the best crop ever.

To the close observer the Canadian National Exhibition is a wonderful educator. Nothing like it for the cost.

Rev. A. W. Richardson, the new Rector of Christ Church, arrives in town this Thursday and will preach next Sunday, morning and evening.

Rev. John Knox Hall, D.D., Mrs. Hall and daughter, Edith, of Denver, Colorado, visited first of the week with Mr. and Mrs. D. H. Sinclair.

Monster Garden Party.—The garden party given in Arthur by Rev. Father Ferguson, formerly of Markdale, was a grand success, the proceeds amounting to over six hundred dollars.

We notice by the Owen Sound papers that Mrs. Minnie Chalmers had been awarded four first prizes and one second for vegetables at the recent Flower and Root show in that place.

I will sell 25 selected Dorcas strain bred to lay 250 eggs, or better Leghorns and 25 utility and beauty Wyandotte cockerels at one dollar each. These are the best bred fowl in America, and anyone wishing to improve their flock should get one of these cockerels at once. Those remaining unsold after Sept. 15th will be shipped out of the County.—R. O. Whitby, Markdale.

A reward of \$10.00 will be given to any person furnishing information that will lead to the conviction of the party or parties who have destroyed the property of the Euphrasia Municipal Telephone System by breaking insulators and otherwise doing damage to the plant of said System. The information will be treated as confidential.—W. H. Erskine, Chairman of Board of Commissioners.

A merry lot of the local troop of Boy Scouts left on the morning train Tuesday for Toronto. Scout Master Conn met the boys in Toronto, and they attended the big Fair in a body. Rev. Mr. Conn certainly deserves credit for the interest he is taking in the boys, and he richly deserves the hearty co-operation of all the parents and boys in this section. We will expect a short report from each boy on their return, and will probably publish the "Scout Tales" from the C.N.E.

Boquets are due the road committee of the town council for the very excellent manner in which our main thoroughfare has been fixed up. From Knechtel's factory to the Queen's corner, especially the road is now as smooth as silk, and we take great pleasure and pride in announcing this fact to some of our sisters towns whose main roads are still on the plank. The system adopted by the Hanover Road Commission has worked out splendidly. Just what degree of permanency it will show remains to be seen, but anyhow it looks like business.—Hanover Post.

A GREAT BARGAIN

The war map issued by The Family Herald and Weekly Star, of Montreal, is now ready for distribution. It is certainly a great map and a great help in following war news. It is greatly praised by returned officers and men. The price of the Family Herald is now \$1.25 a year—a smaller increase than was expected, and with the map given with each subscription, it is cheaper than ever. The map alone would cost as much. The paper and map are given to both new and renewal subscriptions at \$1.25 a year but the map cannot be secured otherwise. The Family Herald is the greatest family and farm paper on the Continent and a great credit to Canada.

GREY COUNTY HOUSE OF REFUGE

Every ratepayer in the County has more or less interest in the County House of Refuge, though doubtless many of them have never even visited the institution. There are at present fifty inmates—twenty-nine male and twenty-one female.

Mr. Sinclair, the manager, with his wife as matron, a nurse and two female helpers and a hired man, comprise the staff, who, together with the assistance some of the inmates can render, perform the onerous duties of this humane concern.

Both the farm and the premises present an attractive, thrifty appearance, while a still closer inspection reveals commendable system and capability on the part of the manager. The products of the farm go a long way in feeding this large family.

There are this season 15 acres of hay, 18 of oats and 13 of roots, an excellent yield, in every case; also 13 cows. These latter furnish milk and butter for the "boarders" which number from forty-five to sixty.

It is certainly gratifying to know that this important public institution is so capably and economically managed.

SOLDIERS AT FRONT WELL INFORMED

Following is an interesting excerpt from a letter just to hand from Elmo Edwards, son of Mr. R. T. Edwards, our Traverton Correspondent:

You were asking if we get the war news in camp. Yes, we do. We get all the London papers here every morning, also evening papers. First news boys are around about 5.30 a. m. Nothing is held back from us that general public gets, and in fact I think we generally get hold of some news that public don't. We get quite an assortment of Canadian papers here too, so keep fairly well in touch with what is going on; though, of course, news is rather old when we get it. Three times a week a little two-sheet paper is printed here called "Canadian Daily Record" and is distributed around among us. This gives us all the important happenings and doings in all parts of Canada right off the wire.

We fare pretty well for reading matter here one way and another. We have five Y.M.C.A. huts in camp, along with other clubs. Each one of these is fairly well supplied with magazines and papers and each Y. has a small lending library. If ever we are moved across channel I imagine we'll be glad to get our hands on papers and magazines, but here we are not so bad off. However, magazines never come amiss, as when one is through all you have to do is hand them on to the next fellow.

So far I haven't let any of the fair damsels here make off with me, but one never knows now-a-days what will happen next. I may be taking half a dozen or so back with me, but at present hardly expect to. It is rather amusing to see some of the girls here who have taken up the farm work. They have quite a uniform, big heavy high boots, whipcord or corduroy breeches and light-colored linen coats. They have soldiers' beat for making a racket with boots when they get on the sidewalks.

Yours sincerely, Elmo.

PRICEVILLE GARDEN PARTY

(Durham Chronicle.)

Ever since the war began, the people of Priceville and vicinity have been active in securing comforts for the soldiers, and in no section has there been greater harmony in carrying out their patriotic schemes. A great number have enlisted from the village and surrounding vicinity, and this forms a strong bond of interest.

On different occasions for patriotic calls they have made noble responses and if we can remember correctly, the proceeds of one effort has brought in about six hundred dollars.

The garden party on Wednesday night of last week was under the auspices of Girl Patriotic Workers, and no pains were spared to make it a success. Tea was served from six to eight o'clock, and the gate receipts alone were announced to be \$5.

The young ladies were in need of funds. At short intervals they sent parcels to the boys at the front, and the necessity for help was well understood. Mrs. Aldcorn donated a cake, to be put up at auction. The chairman made the announcement before the programme was concluded, and offered the cake for sale to the highest bidder, Mr. Aldcorn was the lucky buyer at \$9. He knew the cake was a good one, and generously paid his money and handed it back to be sold again. Now we cannot remember the names of the different buyers, for it was sold several times; Reeve McQuig was the second purchaser at \$5, and J. H. Hunter and Guy Kearney, of Durham, and one or two others, we think, paid similar amounts, and there were several buyers at smaller sums. Mr. McQuig, and Mr. Kearney both bought it a couple of times, and spent six or seven dollars each.

The proceeds for the sale amounted to \$50, and the total net proceeds to the entertainment will be somewhere near \$150.

Mr. Kentner, of Markdale, entertained the audience during the supper hour, with a number of excellent selections, one bag-pipe selection being so real that even the Scotchmen were unable to detect the fraud, and were looking for the piper in kilts.

The program consisted of speeches by Rev. Mr. Jones, of the Methodist church, and Rev. Mr. McIlroy, who is taking Mr. Matheson's work during his vacation.

Songs were sung by Miss Blith, of Varrey, Mr. Allan Bell and Mr. Mistelet, of Durham, and a quartette by Misses Blith and Irwin and Messrs. Bell and Mistelet. Miss Reta Irwin contributed a number of piano instrumentalists, and played the accompaniments.

The following statement has just been received:

Gate proceeds	\$85 00
Sale of Cake	50 00
Booth	37 00
Other donations	13 00
Total	\$185 00

The net proceeds will be about \$150, and will be spent for parcels to send to the boys overseas.

TRAVERTON

(Special to The Standard.)

Zion's Garden Party on Wednesday evening of last week was a splendid success. An ideal night, no dew, a big crowd of happy, well-behaved folk, a bountiful supply of edibles, bright lights, a well stocked booth, and a bazaar of fancy articles, all helped to make it most enjoyable; but besides these, there was an excellent program, presided over by J. A. Graham, of Durham, whose tact, ability and humor make him especially adapted for the position. Songs were rendered by Verbera Ryan, Mrs. R. T. Cook, Miss Malcolm, of Wisconsin, Mr. Peter Ramage, of the Review, Mrs. John O. Greenwood, and the

METHODIST MALE QUARTETTE

Messrs. Mistelet, McGrae, Saunders and Glass, Miss M. E. Robson and the Editor of the Standard won warm praise for their well-chosen repitations. Happy and patriotic speeches by Dr. D. Jamieson, Dr. Mearns, of Hanover, and Mr. Allan Bell gave spice to the program. One of the most pleasing and interesting features of the evening was the selections rendered by Mr. J. C. Keitner of the gratinola, prior to the beginning of the evening's entertainment. The total proceeds were \$125 expenses about \$45.

(Balance will appear next issue.)

COL. MCFARLAND 2ND IN COMMAND OF 4TH C.M.R.

Commanding Officer of First Greys Accompanies His Men to the Fighting Line in France.

Official word has just come from Owen Sound that Lieut. Col. G. F. McFarland arrived in France August 3rd to serve as Major, and Second in Command in the 4th C. M. R. There are several hundred Greys in this Unit. The splendid state of efficiency attained by the Greys, to small degree was responsible for the fact that Col. McFarland was selected to command the Greys as a nucleus of one of the Reserve Battalions in England. There were many things said during the enthusiasm of the recruiting campaign when the 147th was organized. In every particular Col. McFarland has justified the trust put in him by his fellow citizens of the County and the boys volunteered to follow him. He recruited the men from his County to go with him and it is particularly gratifying at this time when over 100 Lieut.-Colonels are returning to Canada, to find the Commanding Officer of this County battalion, regardless of his reduction in rank, and the fact he could have a Staff Job, going to France, to the front line, to go with the men he took over from the County.—Owen Sound Sun.

He followed farming for a number of years near Shelburne, and retired to Markdale, where he resided for some years before coming to Owen Sound, six years ago, where he has since resided.
