## PRIZES FOR 1917

For the year 1916 the County of Grey was the only county in Western Ontario that offered special county prizes at the Winter Fair in Guelph. This is an honor in itself, and shows that when the war is over the boys from this county, who have gone to the front will not find those of us left behind not trying to provide for their return. We are trying to make this County of Grey better than it was before the war, and this will be able to keep the boys in the county when they come from the war.

This year again the Board of Agriculture can, through the generosity of the County Council, offer prizes at the Winter Fair. They will not be so many prizes offered in live stock as there were last year, but we are offering a few prizes in grains and roots, which will give the grain grower an even chance beside the live stock man. The Board of Agriculture are going to have cards printed advertising this county. These cards will be provided to every one exhibiting from this county, to be fastened on the exhibits while at the Fair, so that every one visiting the Winter Fair will be able to see at a glance what class of good stuff we grow in this county. For this reason, it will be better if all who show anything at the Winter Fair, whether for the county prizes or not, will send to the Secretary of the Board of Agriculture, Thos. H. Binnie, Priceville, R.R. 2, and get one card for every exhibit made. Do this at the time you make your entries for the Fair and you will be sure and get the cards.

WANTED.—Tenders will be accepted up to the 20th Sept. for the purchase of lot 15, con. 4, Glenelg, known as the M. K. Beaton farm. Possession can be had Terms reasonable. Address: M. Oliver, Box 145, Markdale, Ont. R. R. 3, or phone 3-3-1.

## HOW "SAMMEE'S" ORIGINATED.

Boston Globe: Just how the Yankee troops in France got their nickname, "Samees," now appears. The welcoming French shouted enthusiastically, "Vive les amis!" pronounced "Vive lay zamme!" and the soldiers thought that instead of cheering their arriving friends, the crowds were giving them a nickname referring back to Uncle Sam. It was a queer philological incident, and it will be all the queerer if the nickname sticks.
