THICK, GLOSSY HAIR FREE FROM DANDRUFF

Girls! Try It! Hair gets soft, fluffy and beautiful—Get a 25 cent bottle of Danderine.

If you care for heavy hair that glitters with beauty and is radiant with life; has an incomparable softness and is fluffy and lustrous, try Danderine. Just one application doubles the beauty of your hair, besides it immediately dissolves every particle of dandruff. You can not have nice heavy, healthy hair if you have dandruff. This destructive scurf robs the hair of its lustre, its strength and its very life, and if not overcome it produces a feverishness and itching of the scalp; the hair roots fall out, loosen and die; then the hair falls out fast. Surely get a 25-cent bottle of Knowlton's Danderine from any drug store and just try it.

DON'T MISS THE POINT!

There is a man in this part of the world who represents, to our way of thinking, a pretty good average of human nature. Whenever the preacher in his church delivers a very hot sermon against some special kind of sin, this man gets enthusiastic and goes to the vestry to tell the preacher what a fine sermon it was. Then he goes home and repeats it to his brother, and they talk over the points and the people the sermon hit the hardest. But this particular man never sees when the sermon hits him.

Early next month the biggest public campaign ever put on in Canada will be opened to get subscriptions for the fourth Canadian war loan, the Victory Loan. The thing people in this district must bear in mind is that the appeals are directed to each and every one of them. It is not merely the well-to-do men and women who are being asked to invest. It is everybody. The little sermon which should not be taken as hints to the well-to-do people only. Every man and woman should watch for these advertisements and start now to gather up the necessary money to buy either a fifty or a hundred or a five hundred or a thousand dollar bond. In the United States there were about 4 subscribers to the first

Markdale Markets.
