Apropos of the amusing comments on academic costume, that so often reveal popular ignorance of the symbolsm of hoods and gowns, is the following story, told by a contributor to the Liverpool Post: .

A friend of mine, says he, is a curate in a local suburban parish. Some little time back he went up to Oxford to take his Master of Arts degree, and the following Sunday appeared in the pulpit resplendent in his new Master of Arts hood. A few nights later he was dining in the house of a prominent parishioner, and was amazed to

hear his hostess pleasantly remark: "Mr. X., that new hood of yours doesn't suit you at all. I can't imagine why you, with your complexion, chose red of all colors in the world. ITS CHRISTMAS MESSAGE

Dear Mr. Editor:-Thanks for your kindness in allowing me the privilege of appealing to four eaders this Christmas time on behalf, of the Bospital for Sick Children, the "Sweetest of all Charities," which has as its mission the care of the helpless, the sight the crippled and the deformed. There never was a year in the his-tory of the Hospital when funds to

carry on the work were more needed han now. You: purse is the Hospital's Hope. Your money llights the candles of mercy on the Christmas trees of health that the Hospital plants along

he troubled roadway of many a little So I am asking you for pail, for the premiure of the Hospita's friend is the hope of the Hospital at Christmas. just az the open door of the Hospital's mergy is the hope of the little children throughout the year.

Calls of generous hearts are many

in these fimes. Calls on the Hospital are many at all times, and especially when food and fuel and drags and service costs are soaring high. YOU know the high cost of living. Do you know the high cost of helping the helpless; to happiness? What you do to assist is the best investment you will ever make. Do you realize what this charity is doing for sick children, not only of

Toronto, but for all Ontario, for but of a total of 3.749 in-patients last year 546 came from 254 places entside of Toronto. The field of the Hospital's service covers the entire Province's from the Ottawa to the far off Kenora from the bord rs of the Great Lakes to the farthesi northerly district.

The Hospital is doing a marvellous, work. If you could see the childrens with crippled limbs, c'ub test, and sther deformaties, who have deft the Clospital with gen icht old linds and perfect correction, your response to our appeal would be instead.
