DEFEAT BACKACHE AND KIDNEY TROUBLE WITH ANURIC

Many people in Canada have suffered from rheumatism and kidney trouble and have found Anuric to be the most successful remedy to overcome these painful and dangerous ailments.

The lucky people are those who have heeded Nature's warning signal in time to correct their trouble with that new discovery of Dr. Pierce's called "Anuric." You should promptly heed these warnings, some of which are dizzy spells, backache, irregularity of the urine or the painful twinges of rheumatism, sciatica or lumbago. To delay may make possible the dangerous forms of kidney disease, such as diabetes or stone in the bladder.

To overcome these distressing conditions you should take plenty of exercise in the open air, avoid a heavy meat diet, drink freely of water and at each meal take Dr. Pierce's Anuric Tablets (double strength). You will, in a short time, find that you are one of the firm indorsers of Anuric, as are many of your neighbors.

Send Dr. V. M. Pierce, Buffalo, N. Y., or Bridgeburg, Ont., 10c for trial pkg.

St. Catharines, Ont.—For several years I suffered with gravel and with uric acid, causing rheumatic pains. Nothing ever helped me until I commenced to take "Anuric," and the first thing I noticed was that the gravel had disappeared and has never made a reappearance. My general health has improved and I have a better nerve condition and my eyesight seems better, too. I used to have such dizzy spells at times I thought I would faint, but these no longer trouble me. My only regret is that I did not know of Anuric before."—Mrs. H. Mastronardi, 151 Albert St.

TAKES OFF DANDRUFF, HAIR STOPS FALLING

Save your Hair! Get a small bottle of Danderine right now—Also stops itching scalp.

Thin, brittle, colorless and scraggy hair is mute evidence of a neglected scalp, of dandruff—that awful scurf.

There is nothing so destructive to the hair as dandruff. It robs the hair of its lustre, its strength and its very life, eventually producing a feverishness and itching of the scalp, which if not remedied causes the hair roots to shrink, loosen and die—then the hair falls out fast. A little Danderine tonight—now—any time—will surely save your hair.

Get a small bottle of Knowlton's Danderine from any drug store. You surely can have beautiful hair and lots of it if you will just try a little Danderine. Save your hair! Try it!

FLESHERTON

(Special to The Standard)

The Methodist Sunday School passed its 55th Anniversary on New Year's evening, with a very successful entertainment. After the usual inviting tea an excellent programme was given to a crowded house, the proceeds amounting to $72. The programme, conducted by the Pastor, which contained many pretty and pleasing numbers, was given mostly by the school and some of the little folk were quite cute in their parts. Sweetly rendered solos were given by Miss Aleda Mitchell and Miss Kate Wilcock. The old plantation song, "Old Black Joe" given in pantomime, was a taking number. Addresses were given by Revs. Dimmick, Quinn and McVicar and prayer was offered by Rev. Mr. Lowndes. The report of the school given by Mr. Bunt showed a prosperous year.

A good sleigh load of officers, teachers and others in the Presbyterian Sunday School drove to the home of the Superintendant, Mr. Frank Chard, on Wednesday evening last week to hold a teacher's meeting. After transaction of business, Mrs. Chard entertained the company with refreshments and a pleasant social time was spent till midnight.

The Methodist parsonage was the scene of a quiet wedding on December 26th, when Mr. Nat. A. Caswell, son of Mr. W. J. Caswell, Toronto Line, and Miss Elsie M. Martin, daughter of Mrs. John Martin, near Eugenia, were joined in wedlock. The young couple were afterwards given a reception at the home of the bride's mother, where a choice wedding supper was served, the tables being decorated with chrysanthemums and maiden hair fern. The wedding gifts were numerous and valuable. Mr. and Mrs. Caswell will reside near Sangeen Junction.

Mr. W. J. Bellamy, town clerk, received the discomforting news on Friday last, that his son, Sergt. Robt. P. Bellamy, attached to a machine gun section in France, had been dangerously wounded in action on New Year's Day. The parents wait with anxiety for further news of their son.

Mrs. James Jamieson received a cable message last week that her daughter, Nursing Sister Mae Jamieson, who had been dangerously ill for some time in a Hospital in Malta, had passed the danger period and would in a short time be invalided to England and later home.

Our village Council all went in by acclamation last week. Reeve McTavish and Councillors Henry, Hawken and Patton were re-elected and W. J. Stewart, new member, takes the place of Mr. Blakely, who retired. John Wright, S. Shunk and Charles Stewart were elected school trustees.

At a meeting last week of the Managers and Elders of the Presbyterian Church, it was resolved that the congregation increase its contribution to minister's stipend $95, being its proportion of the increase to bring the stipend to the new minimum $1200. A donation of $25 was voted to the pastor in lieu of holidays he had not taken.

The King's call to prayer was responded to by good congregations in the churches here on Sunday. In the prayers offered and hymns sung, special supplication was made and the discourses were in keeping with the solemn occasion.

At the evening service in the Methodist church on Sunday, the choir was ably assisted by Mr. Wm. Large, of Eugenia, with his fine tenor voice, and the congregation was delighted with the singing of his five young sons, aged 6 to 14 years, who gave two beautifully rendered quintettes. One unaccompanied number was very sweetly given. Mr. and Mrs. Large may be justly proud of their musical boys whom we hope to hear again.

Miss Aleda Mitchell, who returned to College at Whitby on Tuesday, gave a sweetly rendered solo at the Methodist Young People's meeting on Monday evening. Miss Kate Wilcock gave an excellent paper on young people in relation to the church.

The news of the death on Monday of Mr. M. Scully, at his late home at Owen Sound, was learned with regret here. For many years Mr. Scully conducted an extensive produce business here and for the time being, his passing will be a loss to the place. He was widely known and highly respected.

LEMONS WHITEN AND BEAUTIFY THE SKIN

Make this beauty lotion cheaply for your face, neck, arms and hands.

At the cost of a small jar of ordinary cold cream one can prepare a full quarter pint of the most wonderful lemon skin softener and complexion beautifier, by squeezing the juice of two fresh lemons into a bottle containing three ounces of orchard white. Care should be taken to strain the juice through a fine cloth so no lemon pulp gets in, then this lotion will keep fresh for months. Every woman knows that lemon juice is used to bleach and remove such blemishes as freckles, sallowness and tan and is the ideal skin softener, whitener and beautifier.

Just try it! Get three ounces of orchard white at any drug store and two lemons from the grocer and make up a quarter pint of this sweetly fragrant lemon lotion and massage it daily into the face, neck, arms and hands. It is marvelous to smoothen rough, red hands.

DEATH OF DR. W. D. YOUNG.

Dr. Wm. D. Young died on Thursday January 3, at his residence, 1986 Queen street east, after an illness of several days. He was born in Ottawa, and had been a resident of Toronto a great many years. Prior to practising medicine, he was in charge of the chemical department at Toronto Technical School. Dr. Young was an Oddfellow and also a member of Beaches Lodge, A. F. and A. M. He was the second son of Rev. and Mrs. Joseph Young, of 63 Elmer avenue, Toronto, and is survived by his wife and four daughters, Misses Margaret, Isabel, Helen and Marion Young; also by two sisters, Mrs. Frank Courtice, of Collingwood, and Mrs. H. P. Broughton, Sault Ste. Marie, Ontario, and two brothers, Dr. George S. Young, Toronto, and Joseph W. Young, Boston, Mass., U. S. A.

The late Dr. Young was never known to turn a deaf ear to the calls of the poor, and was indefatigable in this work for soldiers' families. Only last Saturday, although not in good health, he was working until a late hour. He made many sacrifices of his professional skill, well knowing he would receive no financial returns, and his name was held in esteem by the poor of the east end of the city. He graduated in Arts in 1897, Medicine, in 1903.—Telegram.
