"Pape's Diapepsin" makes sick, gassy, gummy stomachs surely feel fine in five minutes.

If what you just ate is souring on your stomach or lies like a lump of lead, or you belch gas and eructate sour, undigested food, or have a feeling of dizziness, heartburn, fullness, nausea, bad taste in mouth and stomach-ache, you can get relief in five minutes by neutralizing acidity. Put an end to such stomach distress now by getting a large fifty-cent case of Pape's Diapepsin from any drug store.
