A heard, "No Smoking" hangs in a conspicuous place in our post office, and yet the frequent stench from cigar smoke is strong when a crowd gathers. It does seem strange that so many either cannot read or do not observe these pointed directions, or peradventure, the transgressors have no consideration for the rights of others or rules of the post office department.

WARD OF THANKS.  
Mrs. R. W. Ennis wishes to take this means of thanking her many friends who expressed sympathy and sent floral tributes during her recent bereavement, also the Ministers and members of the different societies for their presence and assistance.

RIVERSIDE PARK SOLD.  
What is known as Riverside Park comprises fifteen acres, beautifully wooded land, and eight acres cleared bordering on the railway on the east, and the running stream, which supplies the town water system on the west. It is a beautiful natural park, and so conveniently located. Ten years ago it was purchased by five citizens in order to save it from the woodman's axe, until such times as the Village Corporation would be in circumstances and mood to purchase. It has been used for public park purposes all those years at a cost to the syndicate of at least one hundred dollars each, and the members, some of them residing elsewhere, not seeing any prospect of the town taking it over, grew weary of the load, and sold it last week. Mr. James Clark is the buyer, and is already busy converting the handsome grove into fuel. None regret the loss to the town more than the members of the syndicate.

The Women's Institute met at the home of Mrs. G. L. Watson on Wednesday, January 16th. The President, being in the chair, the meeting was opened in the usual way. A large amount of business was disposed of. The attendance was large, and several visitors were among those present. An interesting hour was spent listening to the letters from the soldiers. Overseas, who sent acknowledgments of the Christmas boxes sent to them. The letters were from the following Privates: A. Torrie, H. F. Cann, J. W. Adams, B. Bowser, H. King, C. Proud, P. Johnson, W. Craik, F. Cathrae, N. Wright, Sergt. H. Elliott, Capt. C. McCullough, Nursing sister Laura Adams, and a card from Mr. Guy Wickham. After the letters were read, the audience sang the Women's Institute's National Anthem in honor of the men overseas. The programme consisted of a paper by Mrs. W. J. Seabrooke on "How Women Can Aid Agriculture," and a paper by Mrs. T. Barker on "Economy in War Time." The next meeting will take the form of a social evening in the Public Hall. At the close the hostess served a dainty lunch.

WHAT MR. HANNA SAYS.  
"As Food Controller, I cannot change the fact of the world shortage. I cannot, by decree, overcome the tremendous deficiency of wheat in the Allied countries or supply the war demand from empty granaries. But I can, and I will, do all in my power to prevent speculation, to ensure equitable distribution of essential food supplies and to limit middlemen's profits to a reasonable compensation for necessary services."  
—W. J. Hanna.

## ANNUAL MEETING.

The annual meeting of the Markdale Agricultural Society was held in the Department of Agriculture on Friday, January 18th. There was a good attendance. The meeting was enthusiastic and harmonious from start to finish.

Mr. W. R. Burnett, in his opening address, referred to the work of the Society during the past year. He emphasized the high standing of the Fair, as compared with others in the county. Five fairs paid more in horses, one paid more in cattle, two in swine, and Markdale paid most in sheep.

The Society decided that no Spring Show would be held in 1918.

A vote of thanks was passed for the splendid services of Mr. W. R. Burnett, who made a most efficient President during 1917. And the Directors were loud in their praise of the splendid services rendered by the capable Lady Directors, whose services helped so much to make the Fair such a grand success.

It was moved by S. J. Halbert, seconded by Mr. Baker, that a committee be appointed to request the exemption of Dr. Shepherson, Veterinarian, whose services are much appreciated and are most essential, to this community.

The date of the Fair for 1918 was set as October 8th and 9th.

He felt proud that the county had such an excellent man as warden. Mr. J. L. Boyd also made a little speech as warden. The new warden thanked the council for the confidence placed in him and hoped that his actions would be in keeping with the dignity of the position. He would endeavour to extend all courtesies to the members and bespoke a harmonious year's business. He especially asked that the new members of the County Council be given a helping hand by the older members. The nominating committee to strike the roll call and reading of the minutes and the first meeting of the County Council for 1918 came to an end.

Markdale citizens might well be proud of our worthy Reeve, who is to be congratulated on his success, and the honor he has brought to our town.
